

STEEL MAGNATE'S LAWYER TELLS OF PALMERS' FUND

PERSONAL COUNSEL OF MAN WHO
IS BEING SEED BY GOVERN-
MENT AIDS ATTOR-
NEY GENERAL

\$500,000 IN WOOD FUND

Campaign Manager Tells Committee
He Has Advanced Nearly a
Half Million Dollars to
Boom Candidacy of
General Leonard
Wood

By United Press Leased Wire
Washington, D. C., May 26.—C. C. Carlin, At-
torney General Palmer's campaign
manager, appearing in the senate
committee today, admitted a detailed account of Pal-
mer's expenditures.

Among the contributors were:
Joseph Guffey, Pittsburgh oil man,
\$10,000; Frank L. Crocker, New York,
\$5,000; Francis P. Garvan, assistant
attorney general, \$1,000; Judge J. H.
Covington, Philadelphia, \$2,000; Bo-
zark Michael, Scranton, Pa., \$1,500;
John F. Crosby, Hartford, Conn., \$1,
000.

Committee members interrupted the
reading of the list to ask after every
name, "Who is he?"

Carlin was unable to identify most
of them.

Carlin explained that he knew "all
about Palmer's campaign except in his
home state, where I was told to keep
out."

"\$500,000 Contributed"
"Who told you that?" asked Ken-
yon.

"Local managers in Pennsylvania
la," he replied.

He named Bruce Sterling as the
one who specifically told him to keep
hands off in Pennsylvania.

Contributions totaled \$59,610,
Carlin said. He explained that there
was \$10,000 additional spent in
Georgia.

Carlin said he did not know that
federal officials or department of jus-
tice employees were working for
Palmer, and said he knew of only two
federal officials among the five
hundred delegates claimed for Pal-
mer. He said he did not know how
many internal revenue collectors and
postmasters were Palmer delegates.

Not Crucible's Attorney
In answer to a question by Sen-
ator Kenyon, Carlin denied he was
counsel for the Crucible Steel Com-
pany, but said he was counsel for
President Dupuy of that company.

"The Crucible Steel Company de-
aunded the government of \$9,000,
000 to \$10,000,000, didn't it?" asked
Kenyon.

Carlin said that he had heard that
the Crucible Steel Company had been
forced to make restitution to the
government under the income tax
law but had no personal connection
with or knowledge of it.

"You said you're counsel for Du-
puy," said Kenyon.

"I was his counsel in matters re-
lating to his own income tax matters
and his wife's," said Carlin.

He said the government was "aft-
er" Dupuy about their income tax
returns. He insisted that he had
nothing to do with Crucible Steel
cases.

The government claims \$3,000,000
from Dupuy as income tax and pen-
alty, Carlin said.

"Has there been any threat of
prosecution?" asked Senator Reed.

"No, not until after civil liability
has been determined," said Carlin.

William Cooper Procter, Cincin-
nati, financial manager of the Wood
campaign, following Carlin on the
stand, told of the beginning of the
Wood campaign and said he advised
Wood to go into every primary. As
a preliminary to showing how the
Wood campaign fund was managed
from several different places, Procter
explained that he decided on an or-
ganization scattered all over the
country. The whole campaign was
based on publicity, Procter said, and
added he was unable to tell accu-
rately how much was collected or
spent.

"The contributions have been very
disappointing," he said.

"The burden of the campaign has
fallen on me. I contributed \$10,000
and have since advanced \$500,000 of
my own. My advances total more
than the contributions."

"You mean contributions ran
nearly \$500,000?" asked Kenyon.

Procter said he could not say ac-
curately but that less than \$500,000
was contributed by others than him-
self.

Much for Publicity
Outside of expenses for publicity
and headquarters, the average ex-
pended per state was less than \$8,
000, Procter said. He didn't know
how much was raised locally in the
states or large cities.

The largest subscription he knew
of, Procter said, was \$20,000 by Am-
brose Monell, of New York. He
never heard of contributions of
\$300,000 by one man and \$500,000
by another, Procter said.

Seventy per cent of the money
spent per state from the national
Wood fund was for publicity, he said.
The average total per state was \$27,
000, he testified.

Wrigley Helped Fund
Another large contributor was Wil-
liam Wrigley, Procter said, though
he didn't know the sum he gave.
Colonel Billorey, of New York, a
banker, and of Goodrich, a rubber
man, also gave, Procter said, though
he didn't know the sums. He said
the committee could get accurate in-
formation from A. A. Sprague, one
of the treasurers of the Wood cam-
paign, who will appear Saturday.

New Reign Of Terror Lights Erin's Skies

Sinn Feiners Carry Out Threats by
Applying Torch to Government
Buildings in Many Sections
of Ireland Last
Night

By United Press Leased Wire
London.—Following threats to burn
or raze every government building in
Ireland, Sinn Feiners last night at-
tacked and destroyed buildings in
many districts, according to dis-
patches here today.

Most of the attacks were in the
south and west of Ireland. The court
house at Waterville, 75 miles west
and south of Cork, was completely de-
stroyed by fire.

The court house at Clonane, 18 miles
east and south of Cork, also was to-
tally destroyed.

In Dublin the offices of the depart-
ment of agriculture and the offices of
the city corporation were burned.

Itankon barracks and the coast
guard station near Dublin were also
attacked although they were stoutly
defended, their supporters were over-
powered and the buildings burned.

A party of more than a hundred
armed men attacked the police bar-
racks at Laghterage.

It is estimated that the total dam-
ages will run into tens of thousands
of dollars and the number of men par-
ticipating numbered more than a
thousand.

TWO YANKEES HELD PRISONER IN MEXICO

STATE DEPARTMENT INFORMED
OF CAPTURE—BELIEVED TO
BE PRISONERS OF BAN-
DIT VILLA

By United Press Leased Wire
Washington, D. C., May 26.—Two Ameri-
can employees of the American Smelting
and Refining Company, of Chihuahua,
Mexico, have been taken prisoners at
Jamez, in that state, the state de-
partment was advised today by the
United States consul at Chihuahua.

It was presumed that the two men
were taken by Francisco Villa, who
last was reported to be advancing on
Jamez. The names of the Americans
were given as McDonald and Homer
Carr.

Carr was identified by the state de-
partment as Homer C. Carr, a mining
engineer of New York City.

"McDonald" was thought to be M. C.
Donald, of Vernon, Tex., who went to
Mexico this year as an employee of the
Huasteca Petroleum Company.

HAVE TO BE SICK TO GET A DRINK IN CHICAGO NOW

Federal Prohibition Officers Strictly
Enforce Prescription Law—
"Gold Coast" Homes
Are Raided.

By United Press Leased Wire
Chicago.—The "night cap" and the
"morning brewer" walked the gang
plank today.

To enforce recent rationing of phy-
sicians' booze prescriptions, federal
prohibition agents here today toured
the city examining druggists' books
to see that doctors don't exceed issu-
ing 100 liquor prescriptions every
three months.

Hereafter you have to be really ill
to get a drink legally in Chicago.

Federal authorities today expected
to arrest Charles B. Smith, million-
aire, on a charge of illegally purchas-
ing liquor.

Raiding Smith's fashionable apart-
ment in the exclusive "gold coast"
district, federal prohibition agents
last night seized a quantity of liquor
alleged to have been purchased since
July 1.

Major Dalrymple, prohibition of-
ficer here, declared the raid the first
of many to be launched in the "gold
coast" district.

IRISH STRIKE SETTLED BUT WORKERS ARE IDLE

Troops Are Held in Readiness to
Quell Disorders—Reach Agree-
ment on Transportation
of War Munitions

By United Press Leased Wire
London.—Eight battalions today
were being held in reserve in antici-
pation of the need of reinforcements
for troops already in Ireland.

Although the strike of Irish railroad
workers was settled yesterday and
an agreement reached with the rail-
roadmen's union with regard to the
handling of munitions, the men have
declined to return to work immedi-
ately.

A special meeting of the executive
committee of the railroad workers
has been called for tomorrow to pre-
pare definite instructions regarding
the handling of munitions, not only in
Ireland, but for the entire mem-
bership of the unions.

The stories of munitions in Kings-
town, which precipitated the Irish
strike when engineers refused to
move them to Dublin, are still on the
docks.

Fresh attacks were made yesterday
against government buildings in many
parts of Ireland where it is reported
several were destroyed by fire.

Appeal For Aid
By United Press Leased Wire
Milwaukee.—The interstate com-
merce commission today was called
upon to relieve the critical conditions
existing in Wisconsin because of the
coal shortage. The appeal for aid
was sent the commission yesterday by
the Wisconsin railroad commission.

NIGHT SESSIONS OF LEGISLATURE TO SPEED UP WORK

JOINT MEETING IS TO BE HELD
THIS EVENING AT MADISON
—BRIEF SESSION THIS
MORNING

NEW HOSPITAL MEASURE

Senator Severson Wants to be Heard
On His Plan—Senator Kuckuk
Would Establish Hospi-
tal in Connection With
Medical School

By United Press Leased Wire
Madison.—After brief sessions
this morning, both houses of the Wis-
consin legislature adjourned at 11
o'clock to meet in joint session at
7:30 tonight.

The assembly disposed of several
minor measures, but the senate de-
voted its morning hours to the pas-
sage of reorganizations.

The lower house passed the Mat-
tison resolutions amending the \$10
a month soldier bonus act to take in
all Wisconsin residents who served
in the armed forces of the nation
during the world war, but who were
temporarily out of the state and who
enlisted or were drafted in other
states.

Madison.—Both houses of the
Wisconsin legislature, meeting here
in special session at the call of Gov-
ernor E. L. Philipp to deal with high
costs, got down to business this
morning.

In an attempt to rush legislation
through and wind up the meeting by
Saturday, the two branches voted to
suspend notice of hearings on bills
and to hold joint committee sessions
on all measures.

The pay roll for teachers in the
Milwaukee public schools, will be in-
creased practically \$1,000,000 if the
bill introduced by Senator David
Jennings is made a law. The measure
increases the mill tax rate in the
metropolis to take care of the in-
creases.

School Appropriations
At a brief meeting of the senate
last night, Senator Wilkinson, chair-
man of the finance committee, an-
nounced that the joint committee
would meet this morning and take up
educational appropriations in the
following order:

Stout School, Mining school and
university. The work will take all
day, it is believed.

Probably the committee will reach
the normal school and university
bill tax measure by tonight or to-
morrow. It is said that a sur-tax
amendment will be offered to this
bill.

Hospital Hearing
Senator Severson stated that he
would have a substitute for the bill
establishing the state general hospi-
tal at the university and would ask
to be heard on it.

It is said arrangements will be
made for a joint committee to con-
sider Senator Pullen's bill providing
for the treatment of county and
state patients in the state hospital.

An important feature of the hospital
bill, intended to be a provision for fit-
ted beds for patients mentally ill but
not in such condition as to call for
commitment to an institution for the in-
sane.

Kuckuk Has Bill
Senator Kuckuk's bill to establish
a state general hospital in connec-
tion with the medical school of the
university provides appropriations as
follows:

July 1, 1920, \$50,000; January 1,
1921, \$250,000; January 1, 1922,
\$300,000; January 1, 1923, \$150,
000; for the construction of a hospi-
tal building including dispensary and
clinic.

Besides these figures, appropri-
ation is provided for \$75,000 January
1, 1922 and the same amount Janu-
ary 1, 1923 for a nurses' home; al-
so on July 1, 1922, \$200,000, and
on July 1, 1923, \$250,000 for equip-
ment and furnishing the hospital and
the nurses' home. Also a sum not
stated must be furnished for pur-
chase of land.

PRESEBYTERIANS DEBATE
INTERCHURCH DRIVE

By United Press Leased Wire
Philadelphia.—The inter-church
world movement again came up for
debate today by the commissioners
to the general assembly of the Pres-
byterian church here.

Six hours of debate yesterday failed
to result in any decision whether the
Presbyterians would withdraw from
the movement or give moral and fi-
nancial support.

A meeting of the Brotherhood of
American Youmen will be held tonight
at South Masonic hall.

PART OF LEVER ACT HELD ILLEGAL BY JUDGE ANDERSON

INDIANA JURIST HOLDS THAT
TWO SECTIONS OF FEDERAL
LAW ARE UNCONSTITUTIONAL

INDICTMENTS ARE QUASHED

Section Forbidding Strikes and Con-
spiracy to Limit Production of
Food and Necessities is
Upheld in De-
cision.

By United Press Leased Wire
Indianapolis, Ind., May 26.—Declaring
sections four and 26 of the Lever law un-
constitutional, Federal Judge A. B.
Anderson today sustained a motion
to quash thirteen of the eighteen
counts in the indictment charging
125 coal miners and operators with
violation of this law.

The court upheld the constitution-
ality of section nine of the law, how-
ever, and overruled a motion to quash
the five counts returned under it.

Cases Not Dismissed.
The report, returned by two men
appointed from the staff of General
O'Connell, did not differ in its
salient features from the story told
the United Press by General Amador,
one of Carranza's aides, when he re-
turned to Mexico City accompanying
the body of his murdered chief. Her-
rero's men attacked the former
president's hut from all sides, the
commission reported.

The commission was unable to ex-
plain how other occupants of the
hut escaped injury. The report cited
the conclusions of the commis-
sion in ten sections.

A second part was added in which
General Juan Barragan, Carranza's
chief of staff, and other Carranza of-
ficers and officials were charged with
displaying bitterness toward the new
regime.

Colonel Jupiter Ramirez, who sup-
ported Barragan, was quoted as say-
ing that although Herrero organized
the plot to assassinate Carranza, Col-
onel Marquez Cereon led the attack
and directed the fire.

The report said that at 3:20 a. m.
between twenty and twenty-five sol-
diers attacked the hut. The first
shots wounded the president who
arose because his leg had been frac-
tured. He asked for his rifle, so he
could defend himself. These were
his last words, for a second volley
caused his death, immediately.

Everyone else fled from the hut.
The confusion was indescribable.
Herrero appeared leading his men
and made prisoner about sixty Car-
ranza men whom he released about
twelve miles away, forcing them to
sign statements that Carranza com-
mitted suicide.

Berlanga was forced to dictate the
statement which was written by Fon-
tes. The latter was then commanded
to write a check for 1,000 pesos, and
all were released when this was
handed to Herrero.

The fact that Carranza wore his
glasses when the body was found,
was said to indicate he had not gone
to sleep.

The report was based on the testi-
mony of Generals Neira, Sanchez and
Perez and Captain Ramirez. Perez
said that Herrero had told him he
wanted to kill Murguilla, Bonillas
and Cabrera. The report verified
General Amador's version of the
murder and also the fact that eight
others were killed. It stated it was
impossible to locate Herrero to get
his story.

Five hundred Yaqui Indians, last
of the bands which have harassed
the central government for more
than ten years, have surrendered, an-
nouncing their adherence to the re-
volutionary government in northern
Chihuahua.

It was also announced that De la
Huerta will be installed as provision-
al president.

General Obregon announced today
that Senator Luis Cabrera, former
secretary of the treasury in Carranza's
cabinet, was arrested during the
lay at Villa Juarez and is held in
the penitentiary of Mexico City.

PRESEBYTERIANS DEBATE
INTERCHURCH DRIVE

By United Press Leased Wire
Philadelphia.—The inter-church
world movement again came up for
debate today by the commissioners
to the general assembly of the Pres-
byterian church here.

Six hours of debate yesterday failed
to result in any decision whether the
Presbyterians would withdraw from
the movement or give moral and fi-
nancial support.

A meeting of the Brotherhood of
American Youmen will be held tonight
at South Masonic hall.

Blame Traitor For Murder Of Carranza

Mexican Revolutionary Investigating
Committee Charges Herrero and
His Followers of As-
sassinating Deposed
President

(By Ralph H. Turner)
By United Press Leased Wire
Mexico City.—Blame for the assas-
sination of former President Venustiano
Carranza was definitely placed
upon Rudolfo Herrero and his fol-
lowers in the report made today by
the commission sent to Tlaxcala Ton-
go by General Alvaro Obregon to in-
vestigate Carranza's death.

The commission in making its re-
port urged that a formal hearing be
held, declaring such action necessary
to establish Herrero's motive and
the responsibility of the individual
members of his band, as well as to
determine the conduct of Carranza's
cabinet members, his friends and de-
fenders who accompanied him in his
flight.

Herrero carefully planned his coup
by seizing Carranza's confidence,
which he then betrayed, the commis-
sion declared.

The report, returned by two men
appointed from the staff of General
Obregon, did not differ in its
salient features from the story told
the United Press by General Amador,
one of Carranza's aides, when he re-
turned to Mexico City accompanying
the body of his murdered chief. Her-
rero's men attacked the former
president's hut from all sides, the
commission reported.

The commission was unable to ex-
plain how other occupants of the
hut escaped injury. The report cited
the conclusions of the commis-
sion in ten sections.

A second part was added in which
General Juan Barragan, Carranza's
chief of staff, and other Carranza of-
ficers and officials were charged with
displaying bitterness toward the new
regime.

Colonel Jupiter Ramirez, who sup-
ported Barragan, was quoted as say-
ing that although Herrero organized
the plot to assassinate Carranza, Col-
onel Marquez Cereon led the attack
and directed the fire.

The report said that at 3:20 a. m.
between twenty and twenty-five sol-
diers attacked the hut. The first
shots wounded the president who
arose because his leg had been frac-
tured. He asked for his rifle, so he
could defend himself. These were
his last words, for a second volley
caused his death, immediately.

Everyone else fled from the hut.
The confusion was indescribable.
Herrero appeared leading his men
and made prisoner about sixty Car-
ranza men whom he released about
twelve miles away, forcing them to
sign statements that Carranza com-
mitted suicide.

Berlanga was forced to dictate the
statement which was written by Fon-
tes. The latter was then commanded
to write a check for 1,000 pesos, and
all were released when this was
handed to Herrero.

The fact that Carranza wore his
glasses when the body was found,
was said to indicate he had not gone
to sleep.

The report was based on the testi-
mony of Generals Neira, Sanchez and
Perez and Captain Ramirez. Perez
said that Herrero had told him he
wanted to kill Murguilla, Bonillas
and Cabrera. The report verified
General Amador's version of the
murder and also the fact that eight
others were killed. It stated it was
impossible to locate Herrero to get
his story.

Five hundred Yaqui Indians, last
of the bands which have harassed
the central government for more
than ten years, have surrendered, an-
nouncing their adherence to the re-
volutionary government in northern
Chihuahua.

It was also announced that De la
Huerta will be installed as provision-
al president.

General Obregon announced today
that Senator Luis Cabrera, former
secretary of the treasury in Carranza's
cabinet, was arrested during the
lay at Villa Juarez and is held in
the penitentiary of Mexico City.

CORPORATION INCOMES INCREASED 75 PER CENT

By United Press Leased Wire
Washington.—War profits of cor-
porations, after paying heavy war
taxes were 75 per cent greater than
the average peace time business re-
turns just before the war, Representa-
tive Cordell Hull, Tennessee, one
of the financial experts of congress,
declared in a statement today.

"The corporate net income of the
country remaining after payment of
all income, excess and war profits
taxes from 1916 to 1920 inclusive, is
more than \$34,000,000,000 or an av-
erage of \$7,000,000,000 a year," said
Hull, "while the corresponding net
income remaining for the years 1912,
1913 and 1914 averaged but slightly
over \$4,000,000,000 and the latter
were not had business years."

Hull, a democrat, cited the figures
as a defense for the excess profits
taxes.

Using greater government econ-
omy, Hull estimated that during the
next 25 years, \$700,000,000 annual-
ly will be paid to the service men
in insurance, compensation, pensions
etc.

PROVIDES \$250,000 TO
FIND NEW AUTO FUEL

By United Press Leased Wire
Washington.—An appropriation of
\$250,000 to enable the department of
agriculture to conduct experiments
looking toward discovery of a new
automobile engine fuel is provided in
a bill introduced in the house today by
Representative Knutsen, Minnesota.

\$75,000 MORE MUST BE RAISED IN DRIVE FOR A NEW HOSPITAL

WALL STREET PICKS EDWARDS AND JOHNSON

By United Press Leased Wire
New York.—The first quotation of
odds for Wall street betting on the
presidential nomination today indi-
cated that Governor Edwards, of New
Jersey, was the democratic favorite
and Senator Hiram Johnson the re-
publican.

The quotations by a client of James
W. Hall and Company are odds
against the relative chances of the
leading candidates. They are:

Republican: Johnson 3 to 5; Wood
2 to 1; Lowden and Hughes each 5
to 1; Hoover 6 to 1.

Democratic: Edwards 2 to 5; Cox
2 to 1; McAdoo 3 to 1; Clark 4 to 1;
Wilson, Bryan and Marshall each
20 to 1.

Harding and Butler each 2 to 1.

Edwards 2 to 5; Cox
2 to 1; McAdoo 3 to 1; Clark 4 to 1;
Wilson, Bryan and Marshall each
20 to 1.

NO BASIS FOR HOPE FOR REDUCTION IN THE COST OF LIVING

HEAD OF CHICAGO WHOLESALE
HOUSE AVERS THERE WILL
BE NO CHANGES IN
MANY MONTHS

By United Press Leased Wire
Chicago.—Marvin B. Pool, man-
ager of Butler Brothers, largest general
wholesale jobbing house in the west,
today issued the following statement
denying a report which quoted But-
ler Brothers as predicting a return
of pre-war prices within two years.

"Unfortunately the reported state-
ment of one of our employees, inex-
perienced in price matters, did not
at all express Butler Brothers' op-
inion or judgment," said Pool.

"No one at this time can predict
with any degree of accuracy whether
prices will go higher, maintain their
present level, or be materially re-
duced. I personally doubt if values
will again reach the pre-war levels
and I see no reason for any material
change in prices for many months to
come."

"We do not handle foodstuffs,
high priced clothing, silks or shoes.
We can speak only as wholesalers of
popular priced merchandise when we
say that in the month of April man-
ufacturers have notified us of 1,617
prices advanced and only 28 price
declines, the number of price re-
ductions being below the average num-
ber."

"The demand for our kind of mer-
chandise continues exceedingly firm
and sales show a satisfactory in-
crease in volume."

"The large number of discount
stores being advertised by the retail
trading throughout the country is in
our opinion, sufficiently accounted
for by over-stocks of high priced
spring goods due to an abnormally
late season and the necessity of turn-
ing these goods into cash in order to
reduce banking obligations."

Fruit Prices Fall
Food went to lower prices here to-
day and commission men predicted
the decline will continue as summer
advances.

Staple vegetables and fruits have
fallen from five to 35 per cent. Cab-
bages, selling at \$5 a crate a week
ago, are now offered for \$3.50. Or-
anges dropped 15 per cent and new
potatoes were off \$1.50 a barrel.

SWAT THE FLY NOW IS ADVICE OF CITY HEALTH DEPARTMENT

DR. ELLSWORTH URGES APPLE-
TON PEOPLE TO START CAM-
PAIGN AGAINST SUM-
MER PEST.

"Start now to rid Appleton of flies," is the advice of Dr. H. E. Ellsworth, health officer. Warm weather is

sure to bring an early crop, with their disease carrying menace, and people are warned to use precautions to prevent their breeding if possible.

"No home need be infested with flies if a few precautions are observed," said Dr. Ellsworth. "No garbage should be left exposed in people's back yards. It is here that they breed. All refuse should be placed in covered cans or screened enclosures and hauled away at frequent intervals. Pails used for carrying out garbage should be washed frequently."

"Heat seems to attract flies," he continued, "and I believe you will find that where wood fires are kept in the kitchen you will usually see plenty of flies around. This is especially true in the fall. Houses using gas or oil stoves for cooking in the summer hardly ever contain many flies. Keeping the house cool will drive them outdoors, where it is warmer."

Wash Tin Cans.

"One thing I strongly urge is that people wash the tin cans before they are thrown out. The food particles left in cans or other containers cast on the dump heaps draw a lot of flies. If the cans are rinsed out thoroughly and then deposited, the flies will not be found there."

"Kill every fly you see now," Dr. Ellsworth urged, "and you will do a lot toward ridding us of this pest later. Houses should be kept tightly screened and children should be prevented from leaving screen doors open. Every fly seen in the house should be attacked with a fly swatter at once. I don't believe any home should be infested with flies."

Use Fly Paper.

"Use of sticky fly paper and the fly poisons on the market should be encouraged. The more flies we kill, the less will be bred. A campaign

PRICES ARE GOING DOWN, U. S. RESERVE BOARD REPORT SAYS

IOWA FARMERS BUY \$200,000,000
WORTH OF NEW SECURITIES
IN ONE
MONTH

By United Press Leased Wire
Chicago—Continued decreases in prices were predicted here today in the monthly report of the Seventh Federal Reserve Bank.

Tightening of loans is continuing while the demand for money and credit is exceedingly heavy, said the report. It deplored a tendency of farmers to buy securities representing speculative enterprises. More than \$200,000,000 worth of new securities were sold in Iowa alone last month, the report states.

"The business world appears to be anticipating a possible and decided readjustment in the economic and social influences governing our national life

against the fly pays, but everybody must take a hand.

"I might as well say now," the doctor further stated, "that every dump heap should have been removed by now. These are the breeding places for these pests and if everybody has complied with the city regulations, no such places will exist. The clean-up period has passed and at all places where I find rubbish or garbage remaining on the premises, I will serve notice to have it removed or instruct the city to do the work and charge it against the property. I hope everybody will comply with the ordinance at once."

and the situation is complicated because of the lack of any precedent," the report said.

"There are a number of complex influences at work, each in itself potent in character," the report states in reviewing the situation.

"Probably the most disturbing element in the entire situation is the almost demoralized condition of our railroads, transportation being on the verge of a break-down."

"The labor situation as a whole shows small improvement, principally because of the attitude of the workman."

"The credit supply still is restricted and the demand outstrips any previous total in the history of the world."

"There is the additional complication of growing signs of a general recession in prices of all commodities, with the trend in most cases downward."

The Kimberly Royal Neighbors will hold a parcel post sale at the Kimberly Dining Hall, Wednesday, May 26th.

BIG DEATH RATE FROM FLU IN THIS COUNTY

ONE DEATH FOR EVERY 8.5 CAS-
ES OF INFLUENZA AND PNEU-
MONIA FOR THREE
MONTHS.

Outagamie county had a higher death rate from influenza during the first three months of the year, computed on the basis of cases reported to the state board of health, than most of the counties in Wisconsin, figures published today, showed.

Sixty-seven deaths from 572 cases of flu were reported from this city to the state board, an average of one death to every 8.5 cases. The average in the state was one death for 12.7 cases.

This seemingly high mortality did not occur, either in Outagamie county or in the state, it is believed. The obvious conclusion is that a great many cases were not reported, while

LABORERS WANTED Sewer trenching, Ma- son Street. Highest wages. R. J. Wilson & Company.

all the deaths were duly registered. Experience has shown that the state has one death to every 100 to 150 cases of the disease.

The death rate in Outagamie county was lower than in Winnebago or Brown counties, but higher than in Calumet county.

BUILD ADDITION TO POTTS-WOOD PLANT

NEW STRUCTURE WILL BE DE-
VOTED TO TAKING CARE OF
COMPANY'S RETAIL
BUSINESS.

Work has been started on a two-story addition to the Potts, Wood and Company creamery, the purpose being to open up a strictly retail department.

Need of a properly arranged retail creamery in connection with the business has been felt for some time, according to James A. Wood. The sale of milk, cream and butter has been handled in the factory at considerable inconvenience to the public because of the wet floors and the lack of clerical attention.

The addition is to be built at the west of the present plant on the Pacific street side. It is to be 18 by 25 feet, with concrete foundation and brick walls. The lower floor will house a modern, sanitary dairy depot with terrazzo floor and a combination show case and refrigerator. A clerk will be placed in charge to devote his entire time to the wants of the patrons. Additional storage space will be provided on the upper floor.

Some difficulty has been experienced in getting building materials, Mr. Wood stated, but it is hoped to have the structure completed in a month or six weeks.

RAINBOW COLORS TO BE CARRIED IN PARADE HERE

One of the outstanding features of the Memorial day parade Monday will be the appearance of the Rainbow division veterans as a body in full uniform. The colors carried on the battlefields are to be borne at the head of the column by Francis X. Bollew, who carried them in France. John Gerry and Floyd Kessler, who served as color guards in the New York review, are to act in a similar capacity here. This is said to be the last time the battle-scarred flag will be carried in a public procession in Appleton, as it is to be sent to Madison and preserved as one of the cherished relics of the world war.

NO CRIME TO GET DRUNK THESE ARID DAYS, JUDGE SAYS

Milwaukee—"Justifiable intoxication," a new plea on the dock-ets of the courts here today, was responsible for Benedict Bischof being at liberty.

Bischof was arrested for being drunk and Attorney Ed. Mock got a suspended sentence for his client on the plea.

"In these piping times of prohibition, anybody that can get a hold of good port wine as the defendant and he did, is entitled to get drunk," Mock declared.

"Did you ask him where he got the wine?" the court asked.

"Ah, there's the rub," replied Mock. "I questioned him a solid hour but I couldn't find a clew. It's my only regret."

OWNER OF BUS LINE IS WILLING TO PAY LICENSE TO CITY

NEENAH AND MENASHA EXPECT-
ED TO FOLLOW APPLETON'S
LEAD IN CONSIDERING
MATTER

A. C. Homan, owner of the auto bus line plying between Appleton and Neenah, has announced his willingness to pay a fair license to the city of Appleton for the privilege of operating his busses within the city limits. He intimates there has been some misunderstanding on this matter.

A communication from Mr. Homan follows:

"Out of justice to the people of Appleton, the Appleton city council and the writer, I would like to state that the writer is ready and willing, now, or at any time, to pay the city of Appleton a fair license for the privilege of operating the Twin City-Appleton auto bus line within the city limits of Appleton. There seems to have been a misunderstanding with regard to this question and I would like to have the people of Appleton know and understand our position in the matter."

Neenah and Menasha city councils are considering assessing the bus line a license fee for the privilege of operating over their streets. It was reported from the Twin Cities. At a recent meeting of the common council here objection to the competition which the bus line is offering to the traction company was voiced.

It is said that other steps to either compel the bus lines to pay maintenance fees for operating on city streets

or to force a change in schedule so as not to conflict with the street railway schedule is under contemplation.

WERTHEIMER ELECTED RISK COMPANY DIRECTOR

M. A. Wertheimer, Kaukauna, head of the Thilmann Pulp and Paper company, was elected a director of the Employers' Mutual Liability Insurance company of Wisconsin at the annual meeting in Wausau.

Other members of the board are as follows:

L. M. Alexander of Milwaukee;

Walter Alexander of Wausau; L. K. Baker of Odanah; W. E. Brown of Rhinelander; D. C. Everest of Wausau; George E. Foster of Wausau; H. J. Hagge of Wausau; A. Hirschheimer of La Crosse; Mitchell Joannes of Green Bay; Chas. H. John of Milwaukee; G. D. Jones of Wausau; M. P. McCullough of Wausau; John Reid, Jr., of Racine; W. W. Vincent of Kenosha; B. F. Wilson of Wausau, and C. C. Yawkey of Wausau.

The Knights of Columbus Ladies card party, scheduled for Thursday afternoon, has been called off, it was announced this morning.

The Most Welcome Tire That Ever Came to Market

Men Who Appreciate Superlative Values Prefer The Brunswick

In every great tire factory, the chief question is: "How much can we give for the money?" And the product depends on the policy adopted.

Every man who has become acquainted with Brunswick Tires knows that Brunswick standards are again evident. This famous concern—noted as a leader in every line it entered since 1845—has once more proved that its policy is right.

A perfect tire is simply a matter of knowledge and standards and skill. No secrets nor patents prevent making an ideal tire.

But standards come first. For in tire making there is vast room for skimping, for subtle economies, for hidden shortcomings. Makers without the highest standards don't build high-grade tires.

The Brunswick organization of tire makers includes a brilliant staff of technical experts. Not a man

among them has spent less than 20 years in handling rubber.

Each is a master of his craft. And the new ideas they bring to the attention of Brunswick directors receive sincere consideration.

Every proved betterment is adopted unanimously.

The Brunswick Tire is a combination of acknowledged features—plus Brunswick standards of manufacture.

The result is a super-tire, the like of which you have never known before. The kind of a tire you will gladly join in welcoming.

Yet Brunswicks cost no more than like-type tires.

Try ONE Brunswick. We promise a surprise. And we feel certain that you will want ALL Brunswicks.

Then good tires will have a new meaning to you.

OUTAGAMIE SHEEP GROWERS DECIDE TO POOL THEIR CLIP

CO-OPERATIVE MARKETING
MEANS BETTER PRICES,
STATE EXPERT TO
TELL FARMERS

Pooling their wool and selling it at either a flat rate or on a graded basis is to be tried out by sheep breeders of Outagamie county this season for the first time. The marketing is to be done through Henry H. Thiel, manager of Outagamie Equity Exchange who granted the farmers the use of the local Equity's storage house. The wool is to be delivered during the week of June 21, and the manner of disposing of it, whether at a flat rate or a graded basis, will be determined at a meeting to be held at Seymour next Tuesday evening.

This decision was reached at a meeting of wool growers of this part of the county at the Northwestern house last night. The principal address was delivered by L. G. Foster, of the state division of markets. A discussion followed and much valuable information was brought out.

CAN YOU SEE
WHAT I'M
DRIVING AT?

NO AUTOIST

can see what he is driving at unless his car is equipped with the proper lights. We have just the lamps that are needed on your car. A powerful tail lamp will light the way up behind you and keep you out of trouble. We have lenses that will train your light on the road and abolish the glare.

Telephone 2459
768 Washington St., Appleton

Mr. Foster is a firm believer in co-operative marketing and grading of wool. "It is only in this way," he said, "that the farmer can realize the profit which is now taken by the speculator."

Courthouse Locked
Arrangements had been made for holding the meeting at the courthouse, but when the speaker and wool growers arrived they found the doors locked. All efforts to secure entrance were unavailing and after waiting until nine o'clock for the doors to be opened the farmers went to the Northwestern hotel where the meeting was held. They were in session over two hours.

The meeting was called to order by Henry H. Thiel, who introduced Paul Nyhus, head of the farm service department of First National bank. Mr. Nyhus said that he was called here on May 1 to take up his work among the farmers of Outagamie county and that on going over the annual report of the assessor of incomes with Mr. Thiel he discovered that there were 2,500 sheep in Outagamie county, and as the co-operative plan of marketing wool was being strongly advocated in many parts of the country the meeting was called for the purpose of seeing what could be done along this line in Outagamie county.

Wants to Aid Farmers
Mr. Foster said that he was interested in getting more money for the farmers; that he was also interested in getting more wool in Wisconsin; and in order to get more there must be some incentive for growing it. Providing this incentive was the purpose of the division of markets. "It pays every man to pool his wool," he said. "In 1917 the government took over and handled the wool. Until that time many farmers did not realize the difference. Full price was paid to the farmer."

The grading of wool and the benefit to be derived therefrom was given considerable attention by the speaker. The difficulty in securing the services of expert graders was also touched upon. Mr. Foster claiming that there were not too many in the country. It was a surprise to some of the growers to learn that a fleece often contains several grades. By pooling his wool and having it graded, a farmer is able to get the market price for each grade. When he sells it to a buyer at a flat rate the speculator is the one who makes the profit.

Badger Wool is Best
Mr. Foster said that the Middle States are fast becoming the great wool producing states, and that Wisconsin raises some of the best on the market.

"This country produces only about half the wool we use," said Mr. Foster. The wool market is determined by England. That is the great market of the world. Any change on the London market is felt in this country. We must line up on a co-operative basis on wool as well as on other things."

Favor Grade Basis
The number of growers in favor of pooling their wool on a graded basis

Instead of a flat rate was slightly in the majority. As only a small portion of the sheep breeders of the county were present it was decided to leave the question open until the Seymour meeting. Albert Leubke of Freedom stated his neighbors were buying up his supply of wool, a fleece or two at a time so rapidly that he was not certain of having any left at the time designated for delivery. "That was my experience at one time," said Robert J. Doersch of Seymour, "until I put an end to it. An old lady, an expert at spinning, would examine every fleece I had before selecting one and she invariably took the best one and paid no more for it than I got for the poorest one," said Mr. Doersch. "That is where the advantage of grading comes," was Mr. Nyhus' rejoinder.

Among those who attended the meeting were Otto Bohm, Black Creek; M. VanHolt, Dundas; B. F. Diney, Oneida; R. J. Doersch, Seymour; John Heenan, W. G. Jamison, Clarence Jamison, Irwin Attoe, Greenville; L. G. Foster, Madison; Albert Leubke, Freedom; Paul Nyhus, Henry H. Thiel, Appleton.

RAILROADS IN BAD SHAPE WHEN GIVEN BACK TO OWNERS

B. AND O. PRESIDENT SAYS FOUR
CENT PASSENGER FARES
ARE A POSSIBILITY

By United Press Licensed Wire
Washington.—The interstate commerce commission today resumed hearings on the petition of railroads to increase freight rates approximately \$1,700,000,000.

Daniel Willard, president of the Baltimore and Ohio, was cross-examined.

Asked by Clifford Thorne, representative of middle western shippers, if the railroads were returned to their owners in as good condition as when the government took them, Willard said that they were not, and that Baltimore and Ohio had claims against the government for five or six million dollars.

Willard stated that if the freight rate increase is not granted, passenger fares probably would have to be increased to four cents a mile.

Call Many Witnesses
Heads of all the principal roads are listed as witnesses. Heads of the shippers' organizations will follow the executives. Shippers are protesting increased rates.

Without higher rates, the roads can not pay six per cent on their securities, the executives contend.

Shippers complain that the roads should not be permitted to figure the six per cent return on their own valuation which is in the neighborhood of \$20,000,000,000.

Card of Thanks.
We wish to thank our neighbors and friends for their kindness and sympathy and floral offerings, Mr. Brettschneider for his kind assistance and Rev. Marth for his kind words, in the death of our father, Herman Gressens. Signed, The Children, adv.

FIRST WARD CLASS IS LARGEST IN HISTORY

FIFTY-FIVE STUDENTS WILL RE-
CEIVE DIPLOMAS AT COM-
MENCEMENT PROGRAM
JUNE 3

The largest class in the history of the school will graduate from First Ward school Thursday evening, June 3. Fifty-five students, including 31 from the January class, will receive diplomas. The class roll follows:

January class:
Darrel Aylesworth, Arnold Anderson, Abe Belzer, Wyrrand Beraecker, Annette Brigham, Gladys Buxton, Mell Buxton, Virginia Clements, Eugene Cole, Evonne Dodge, Truward Egert, Gertrude Gartz, Bert Fisher, Mayne Halford, Dorothy Keats, Burton Manser, Bessie Munger, Marcella O'Connor, Dorothy Parker, Boula Robey, Dorothy Ralph, Melvin Schneider, Boyd Schweiger, Esther Sterling, Cordell Stammer, Mary Thom, Jane Thomas, Helen Trevor, William Taylor, Ethel Vesey, Hanford Wright.

June class: Robert Asman, Norma Burns, Eleanor Cook, Avis Darrdon, Myra Endter, Bessie Gabriel, Joseph Gabriel, Allen Gallagher, Robert Gallagher, Donald Hyde, Douglas Hyde, Gilbert Krueger, Russell Martin, W. Beverly Murphy, Richard Neller, Emily Scheffler, Gladys Schroeder, Kenneth Schweiger, Willard Selig, Bonita Smith, Henry Thiel, Leonard Tock, Henry Wood, Alice Warner.

Silk petticoats in taffeta, messaline and jersey silk. A beautiful line of colors \$5.75 and up. The Fair, adv.

THREE RAILROAD HEADS TO END TRAFFIC JAM

By United Press Licensed Wire

Chicago—Relief from the present freight car shortage today was expected to follow a conference of a committee of three, appointed by railroad executives of the mid-west to determine radical steps to end the transportation tie-up.

The committee will hold conferences today, reporting Thursday to the rail managers their plans for ending the car shortage.

The first string of empty cars began arriving here last night. They will be moved to the grain belt. Continuous trains of empty freight cars were expected for the next week.

The United States railroad labor board, hearing demands of rail workers for increases totalling one billion dollars annually will complete its session here this week, board members expected today.

E. T. Whittier, representing the Railroad Managers' Association, was to discuss the status of railroad telegraphers before the board today.

959 STUDENTS ARE ENROLLED IN LOCAL COLLEGE THIS YEAR

LAWRENCE ENROLLMENT HAS IN-
CREASED NEAR FIFTY PER
CENT IN THE LAST
FIVE YEARS

Enrollment at Lawrence college this year, including the college proper and conservatory is 959, the largest in the history of the school, and an increase of 41½ per cent in the last five years, according to figures secured Tuesday from Olin Mead, registrar.

Since 1914, except during the two years of war, the attendance has increased steadily. In 1914 the registration was 668, and that was increased to 747 in 1915. The two years following, the registration remained slightly above the 700 mark, but last year increased to 927. This year another slight increase brought the number to 959.

Girls in Majority
Girl students, as usual, exceed the boys in number this year. Four hundred and six boys and 553 co-eds are attending the local school. Last year was an exception; 541 boys and 383 girls were registered.

Six hundred and fifty-two students, 345 boys and 307 girls are enrolled in the college proper this year. In 1914 the number was only 475. In the two years following 1914, the attendance went over the five hundred mark, but fell back to 425 when the war called the young men into service.

206 Freshmen

Lawrence has a freshman class of nearly 300 students, 206 to be exact. Three hundred and thirty-four have registered since the start of the year. The freshman class was only 173 strong in 1914.

The conservatory has experienced a steady growth in the last five years. With 265 students in 1914 the enrollment has increased to 332. The girls greatly outnumber the men, 308 of the fair sex and only 82 boys being registered.

Bigger Graduating Class
Eighty-one students are enrolled in the senior class this year, nearly double the number of last year. Last year the graduating class numbered 50, this year the number will be about 85.

The junior class is of practically the same strength as last year's junior class. The number increased from 73 to 76.

A large increase was made in the sophomore class. One hundred and fifty-two students, 69 more than last year, are enrolled.

It is predicted that the next year will see attendance at the college well over the 1,000 mark.

Miss Alice Mackinson, of Milwaukee, is visiting relatives in this city.

OILING OF STREETS TO START JUNE 1

FOUR CARLOADS OF OIL ON WAY
TO APPLETON—ERECT FLAG-
POLE ON SOLDIER
SQUARE THIS
WEEK

The street department has a crew of men at work putting up the new flag staff on soldier square opposite the city hall and preparing a place

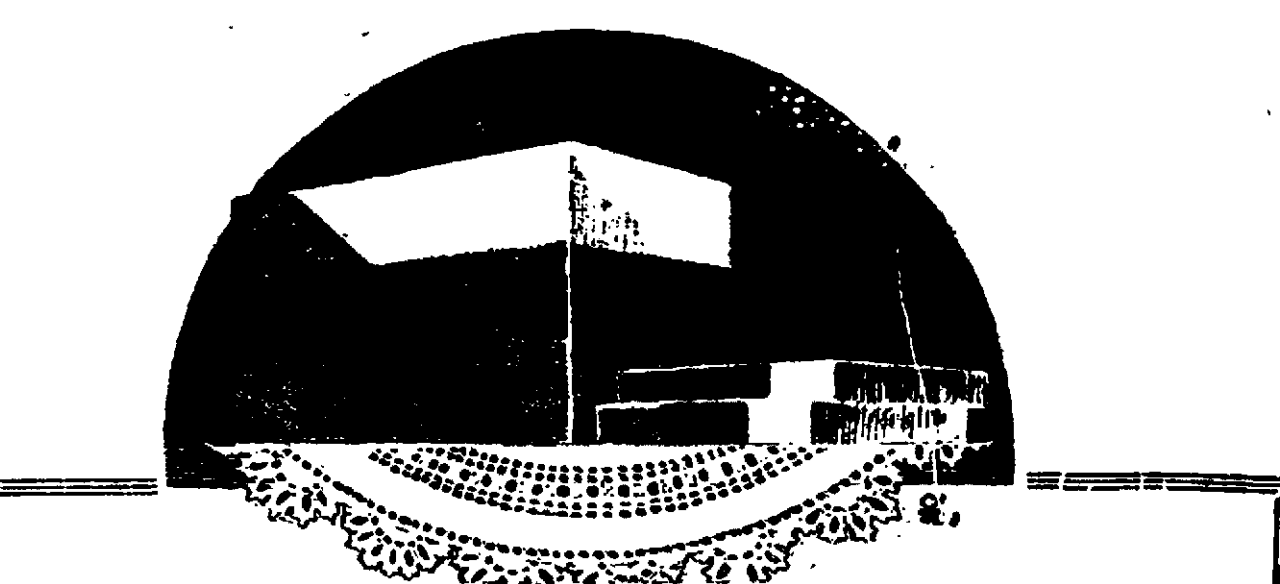

for the cannon now at the entrance of the city hall which is to be moved to the west end of the east plot of grass, while the flag pole will be located at the east end of the west plot. Both the cannon and pole will be in position by Memorial Day.

The ordinance prohibiting the tacking of signs on telephone and electric light poles is not being strictly observed in certain parts of the city. The practice of driving tacks into poles makes it dangerous for workmen to climb them as the iron climbers attached to their feet come in contact with them and do not merit of their taking a firm hold of the pole. Four carloads of oil for the streets.

for which an order was placed several weeks ago, have been shipped and it is expected that they will reach here by the end of the week. The department will commence oiling the streets, Tuesday, June 1. Eight carloads of oil will be used.

A sewer trenching machine is now in operation on Mason street, where R. J. Wilson and Company is building a new sewer.

Children's straw hats prettily trimmed with ribbon and flowers. Specially priced from 98c to \$3.98. The Fair.

Big Value in Tires for The Smaller Cars

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3½-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3½ Goodyear Double-Cure \$23.50
Fabric, All-Weather Tread.
30x3½ Goodyear Single-Cure \$21.50
Fabric, Anti-Skid Tread.

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag \$4.50

WISCONSIN'S SCHOOLS
The Russell Sage Foundation has published a report covering a general educational survey of the United States. According to the findings of the survey Wisconsin occupies a very low place among the public schools of the country. Taking the thirty-two northern states where the greatest advance has been made in educational facilities and standards, Wisconsin ranks thirtieth. It is thirty-sixth in the United States in point of attendance. Wisconsin teachers are among the poorest paid of any state in the Union, only four northern states out of the thirty-two paying as little. Only five northern states spend less for school purposes other than teachers' salaries than Wisconsin. In the average annual expenditure for public schools per child of school age this state ranks thirty-first. Five southern states exceed Wisconsin in percentage of attendance. In the general average covering school standards Wisconsin ranked sixteenth among northern states in 1890. In the thirty years following it has dropped to thirtieth place.

These indictments of Wisconsin schools are a serious matter. They cannot be dismissed in irritation because of the unfavorable publicity they invite. In all probability they present the facts with approximate correctness. Wisconsin has slumped and slumped heavily in the field of common school education in the last generation. Conditions brought to light in practically every city and community in the state as a result of the uprising of teachers against the starvation wages paid have left no doubt that our school affairs are in bad shape. A state cannot neglect its public schools over a long term of years and hold its teachers down to salaries on which they cannot live decently without suffering the consequences.

The Janesville survey was a revelation to many persons, and there is not a particle of doubt that the conditions found in that city are typical of Wisconsin cities in general. Facilities are insufficient, not up to date and poorly selected. Buildings are woefully crowded and inadequate. The standard of the teaching profession has been lowered and hundreds of incompetent and untrained persons are filling the places left vacant by the better equipped teachers who have gone to other states or given up the pursuit.

Two reasons in our judgment may be ascribed for this situation. One is the failure of cities to have school boards made up of capable men and women. In too many instances they are selected without any reference to their qualifications or their progressiveness. The other is the policy of educational economy practiced all over the state, under which the schools have been skimmed and skimped until they have come to live from hand to mouth with nothing whatever to build on. The schools have been neglected by politicians and governing bodies because they offered a field for retrenchment to "hold taxes down" in which the evil consequences would be the last to be discovered by the public. All over the state fire traps, rat traps and buildings worse than barns are used as public schools.

Is there any reason why we should not have commodious, sanitary, airy comfortable, well equipped buildings in which to educate our children? Is there any reason why we should not have the best school houses it is possible to build for efficiency? Is there any reason why we should not keep politics out of our schools and run them as an educational institution? Is there any reason why we should not pay teachers liberally and make the profession what it ought to be? When Wisconsin looks these questions squarely in the face and answers them conscientiously and intelligently it will commence to reconstruct its impaired school system.

THE APPLETON WAY
The St. Elizabeth hospital drive is going to be the great success it deserves to be. There is no question about that, in fact there has been no question from the beginning. Public interest has all along given the proposal its support, and now that the time has come for real action this interest has turned normally into enthusiasm.

It is planned to raise the \$200,000 required to complete the fund of half a million in forty-eight hours, and with the first twenty-four hours completed last evening the results promise that the goal will be reached. The figures announced at last night's meeting were in round numbers \$125,000.00. This leaves \$75,000.00 to be secured by tomorrow morning and we are confident that it is waiting for the solicitors.

The new St. Elizabeth hospital is going to be a great civic addition to Appleton. That is why so many men and women are intensely and happily at work to insure its realization. And they want it realized completely. They want Appleton to come through clean and make the new St. Elizabeth hospital just what it ought to be as an institution of public pride and public service.

Appleton has the money with which to build a half million dollar hospital and not miss it. Everybody can have an investment in this undertaking and not miss it, and everybody should invest in it because it is for the common good of all. Every family in the city, regardless of circumstances, will be better off for this hospital, and everybody, with due regard to circumstances, will be asked to help build it. This is the fair, the right, the constructive way. Every time we finance a public undertaking through popular subscriptions we tie our people the stronger to Appleton, we give them greater proprietorship in Appleton, we make them more loyal and more helpful citizens to Appleton. It makes for closer and more active interest in public affairs, because everything the people create for themselves becomes a part of them and they a part of it. It will be so with the hospital, and when the hospital is built it will be so with the next civic project, whatever it may be.

Just now we are providing for a modern hospital, built for the present and planned for the future. Everybody is for this hospital for the very good reason that it is badly needed, that it will be of great usefulness and that it is to be handled in a big, broad way. That is why the fund will be raised quickly, spontaneously, generously. It is the Appleton way.

Today's Poem
EDMUND VANCE COOKE
"I TOLD YOU SO"
They don't like, some folks say, you know,
Don't like to say "I told you so!"
But me! say, I just think it's fine
When some chance emphasis of mine
Wings to the bull's eye of the mark.
Well, then, you ought to hear me bark;—
"I told you so!"
Some folks, they kind of hum and haw
And let their friends down easy. Pshaw!
I jump right on my dearest friend,
I simply stand him up on end
And pin him fast against the wall
And make him hearken to my call;—
"I told you so!"
Some folks sort of apologize
Because events have proved them wise.
Not me! I love to rub it in.
I just haw-haw and whoop and grin.
I let the other fellow know
I told him so! I told him so!
Some folks—but shucks! come now, confess!
You sometimes say those words, I guess.
And when you do, a foolish pride
Sings in you, not to be denied.
Own up you love to say them, too.
What's that you say? What's that? You do?
I told you so!

MUST SPEND 3 DAYS EACH YEAR IN SOLITARY
Akron.—John O. Smith, 21, confessed murder accomplice, has begun life imprisonment here. Three days each year, on the anniversary of his crime, he will be placed in solitary confinement, under the order of the court.

TOO ILL TO STOP WATER FLOODING HER HOME
Denver.—An elderly lady, Mrs. Wright, called the police. Mrs. Wright was found ill in bed and unable to rise. Water was creeping higher round her each second from a broken pipe. She had not eaten for three days. Wright had been in jail that length of time on a hold-up charge. County hospital.

DRUNK FIRST TIME IN 5 YEARS: RELEASED
Akron.—"First time in five years, Judge," explained Edward Smith, 58. "Well, don't get drunk for another five years," said His Honor, and turned Smith loose.

APE PULLS TOOTH VIA THE RED POST
London.—An orang-outang in a zoo here extracted his own tooth. The ape tied a string about it and being unable to dislodge it, tied the string to the bedpost and braced his feet. The tooth was two inches long. The ape is happy again.

HEALTH TALKS
BY WILLIAM BRADY, M. D.
NOTED PHYSICIAN AND AUTHOR
Dr. Brady will answer all signed letters pertaining to health. Writers' names are never printed. Only inquiries of general interest are answered in this column, but all letters will be answered by mail if written in ink and a stamped, self-addressed envelope is enclosed for diagnosis or treatment of individual cases cannot be considered. Address: Dr. William Brady, in care of this paper.

NATURE THE KILLER
Our friends the plausible people, exponents of all freak offshoots of the healing art and the art of extracting easy money from easy victims, constantly and vociferously remind us that modern cures do not cure disease, but that Nature cures disease. Why they pick on medicine's drugs, instead of mentioning the various remedial agents which regular physicians so much more frequently employ, is a question for the Wisbeimer family to ponder. Why do the fad healers not say that it isn't diet, massage, surgery, fresh air, rest, exercise, electricity, cheerful thoughts or anything like that, but just Nature, that cures? Would it not be quite as true?
Who is this fellow Nature anyway? He is the prince of healers. That is only too apparent. Everybody gives him unstinted credit. Also he is the prince of charlatans.
I am as grateful to Nature as any other healer or near-healer. Well do I know that no human power can create life or control the inevitable. Yet I am unwilling to entrust myself wholly to Nature as a healer when I am sick, and I doubt very much whether any of the plausible gentlemen who shriek so loudly of Nature's healing ability would be willing to rely upon the old fellow in a serious pinch. No, I know they do not—they call in a doctor.

One of the most voracious and widely known exponents of one of the most ridiculous "schools" of non-drug healing sneaked around to my office and insisted that I prescribe some drugs when he feared he was really in for a serious illness—all on the ground, of course, "The same thing happens every day to doctors everywhere."
Nature will heal a broken bone, but with no regard for future usefulness or the appearance of the limb. Intelligent aid or restraint gives a fairly useful and fairly presentable limb. Your physician gives the intelligent aid.
Nature will heal the croup, does heal it in practically 100 per cent of cases. But at the cost of considerable unnecessary distress for child and parents, and the doctor ends this distress by administering such an unnatural thing as an emetic to relax the muscle spasm which crue! Nature has produced in the throat as a result of some trifling irritation. Nature heals ulcers in the bowel, as in typhoid fever, but is not in the least concerned whether in the healing process the bowel is completely perforated and the patient killed—unless intelligence steps in and by timely treatment or even by surgery, saves life.
Nature cures diphtheria. Nature is the only cure yet found for diphtheria. And in the leisurely process of producing the necessary antitoxin (antitoxin) to the diphtheria poison (toxins) circulating in the blood of the patient Nature cares not one whit whether the patient succumbs before the antitoxin is ready in sufficient quantity. But intelligence, medical science, medicine, a drug, antitoxin, diphtheria serum, antitoxin, saves the life of the patient.
Nature is a fine healer, but requires watching.

QUESTIONS AND ANSWERS
No Pores on the Human Physlog
What can be done to close enlarged pores on the face? (R. M. F.)
ANSWER—The face has no "pores." You probably refer to dilated openings or mouths of the oil glands. Sponge gently for ten minutes at night with water as hot as possible and then apply this lotion:
Sulphurated potassium.
Zinc sulphate, of each 1 dram
Rose water 4 ounces
The Intermittent Tapeworm
Please let me know through your column how a person with a tapeworm can tell if they have one and how it affects the one who thinks they have it. I have an enormous appetite yet I am thin. I think I must have a tapeworm.
ANSWER—Help! help! This query in more or less similar English, comes from some reader somewhere at least daily throughout the year. One can't tell whether he has a tapeworm. His doctor can tell by finding tapeworm eggs by microscopic tests (or a laboratory pathologist can tell that way). The combination of a big appetite and a spare frame, and as it may seem to the old ladies and the long-distance specialists, seldom if ever occurs in an individual who really harbors a tapeworm. All the tapeworm hosts I can recall offered were persons of ordinary appetite and ordinary or excessive weight. I repeat, there are no symptoms which warrant a diagnosis of worm infestation, save the finding of parts of worms or entire worms or their eggs.
Why Women Stay Soft and Young
Why is it that women do not have arteriosclerosis as men do or as frequently as men do? Several male members of our family have had it, but none of the women, so far as known. (F. O. R.)
ANSWER—The women generally do not smoke, drink, stay out late nights, neglect their teeth and expose themselves to various preventable diseases so much as the men.

TWENTY-FIVE YEARS AGO

Wednesday, May 29, 1895
G. H. Dawson of Kaukauna was an Appleton visitor.
Dr. Oviatt of Oshkosh was in the city on professional business.
Mrs. John Brennan of Stevens Point was in Appleton visiting her mother and sisters.
Madame Orblson left for Chicago, where she was to be a guest in the family of W. K. Cooke.
William M. VanNortwick of Batavia, Ill., was visiting his brother, J. S. VanNortwick.
Gus Johnson, who had disposed of his back, was engaged in buying eggs for the D. W. Dean company.
A party of friends surprised Mr. and Mrs. David Roudhush the previous Monday, the occasion being the fifteenth anniversary of their wedding.
George Koehn and Miss Martha Christen were married at St. Paul church. The Rev. John Genske performed the ceremony.
A letter from Dr. J. T. Reeve dated May 8 stated that his party reached Dresden the night previous at the conclusion of the journey from Italy.
Miss Lou Hofer, sister of Chief of Police F. W. Hofer, was married at Boston to Richard Nisimith, an actor. Miss Hofer had been on the stage for several seasons.
The fixtures of Henry Wendelhorn's new drug store were being put in place.
The "half way house" between Appleton and Menasha was burned the night previous.
A bicycle parade was to be one of the features of the Memorial day program.
The Shattuck & Babcock company had decided to put in steam power at their mill at De Pere.
SKIN-DEEP BEAUTY FLOURISHES IN FRANCE
Paris.—Two thousand dollars for a new face! French women are paying this fee eagerly in their efforts to land husbands. There aren't enough men by a third to go round and beauty doctors with a new process of ironing out wrinkles and restoring complexions are reaping a rich harvest.
"DANDERINE"
Stops Hair Coming Out; Doubles Its Beauty.
A few cents buys "Danderine." After an application of "Danderine" you can not find a fallen hair or any dandruff, besides every hair shows new life, vigor, brightness, more color and thickness. adv.

Confessions of a Bride
(Copyright, 1920, by The Newspaper Enterprise Ass'n.)
THE BOOK OF ANN
After Divorce Come Memories of an Enraptured Love
"I remember how my father and mother parted," said Ann. "When love is dead—my father began in a dramatic sort of way. 'Love is never dead for you, my dear,' said my mother. 'It is always waiting—just around the corner!' Then she opened the door wide and my father passed out. He forgot to kiss me goodbye!"
That stopped our talk for a few minutes. Perhaps Mother and Chrys were thinking, just as I was, that we ought to make an extra effort to be nice to Ann.
Mrs. Best took up her recital:
"After he had gone, I wanted to kill myself. I forgot about the child. I desired one thing only—to get to a place where I could stop thinking. My grave was the only place where I could find peace."
"Please remember that I had worshipped the man. I had loved him, petted him, humored him, stood between him and the things which hurt his nerves and spoiled his art. After the divorce, I forgot his neglect and remembered only his tenderness. 'Never to feel his arms about me again! Never to stop his kisses with my lips! Why, that was impossible! I wanted him back—I would have him back though he offered me but the shell of his old love!'"
"I wept by day—and bit my pillow at night. His first honest love had been so wonderful! The memory of it swept over me, engulfed me, and drew me down to despair. I went through the routine of the days with all my mind fixed on finding a short road to death. Memory tortured me—memory of our happy hours together. In the beginning we had loved each other more and more with the passing of the days. Love carried us to strange, new planes of experience where few human beings ever arrive. I think. There was no limit to love's beauty. Fresh vistas opened before us—until long after Ann was born. When my husband began to philander, his quest cramped our expanding souls. Our love was never the same again and my husband blamed me."
"When he had passed out of my life forever, all the first raptures of our love harassed me by day, and drove me mad when I should have slept. I wanted to kill myself, but I didn't know how."
"It was torture to face the duties of the day. On the street, I watched for a figure which towered a little above the crowd. I walked for blocks hoping that I might pass close to him. The day came when I was too weary to go out of bed. Then my despair made me clever. I thought of a way to take my life."
"Next morning I started west with the child, handed her over to my mother's care, then returned to my home. Quiet, if not peace, possessed me. I set my business affairs in order, groomed myself perfectly, snatched the door of my house behind me, and smiled because I knew that when the sun rose again, I would be out of the reach of the heart of love."
"But the afternoon was not far enough advanced to suit my purpose. I entered the tea room of a fashionable hotel, where I had gone many times with my husband. Sitting quietly at the table we were accustomed to choose wouldn't hurt much, as a last ceremony, now that all my hurts were so nearly ended."
"But the waiter was obliged to put me in a far corner of the room. A man and a woman were at 'our' table. I shrank back between a pillar and a palm and ordered the usual things. I was surprised to hear myself speaking very evenly, for my husband was at 'our' table. He didn't see me and the other woman didn't know me."
"I could take my farewell of him undetected. I would stay until they left the place, then the darkness of evening would have fallen and from it I would pass into the darkness of eternity."

(To Be Continued)
GEORGE C. GREENE, ATTORNEY, PASSES ON
Green Bay.—George C. Greene, oldest lawyer in northern Wisconsin, died suddenly at his home here on Sunday, aged 76 years.
Mr. Greene had engaged in the practice of law for over half a century, having founded the firm which now bears the title, Greene, Fairchild, North, Parker & McGillan.
Mr. Greene was tendered several years ago a place on the Wisconsin Supreme bench, but declined.
The funeral will be held at 4 o'clock Tuesday afternoon from his home. His widow survives.

G.O.P. Convention Snap-Shots
The Story of 16 Nominations
By A. H. VANDENBERG
Eighth Convention
The eighth Republican National Convention, meeting June 3, 1884, at Chicago, finally gave Blaine the decoration which two previous Conventions had denied—gave it to him, by strange prank of fate, the first time in 24 years that the Republican nominee was to fall of election.
Blaine's strongest opposition came from Arthur, who had succeeded to the Presidency upon the death of Garfield and who, contrary to precedent, had been very acceptable in meeting his graduated responsibilities. Arthur was from New York. Yet it was New York which ultimately gave Blaine the nomination, only to defeat him later at the polls by giving Cleveland a scant majority of 1,149 in the great Empire State—small enough to have been easily overcome in a single county, yet big enough in this instance to overturn the country.
George F. Edmunds of Vermont, John A. Logan of Illinois, John Sherman of Ohio, Joseph R. Hawley of Connecticut, Robert T. Lincoln of Illinois, and William T. Sherman of Missouri also were candidates before the Convention.
But Blaine led from the first ballot. For once his opposition could not unite. On the fourth roll call he was nominated; and immediately, on a single roll call, General Logan was overwhelmingly designated for second place.
One of the bitterest contests of this Convention was for the comparatively inconsequential post of temporary chairman—a contest in which the Blaine forces fought the designation of Powell Clayton of Arkansas and beat him 424 to 384 with John R. Lynch, a colored delegate from Mississippi. John B. Henderson of Missouri was permanent chairman.
This was the first Convention in which serious effort was made to base apportionment of Convention delegates on Republican votes, instead of gross population—an effort to subordinate Southern influence—an effort still unconsummated.
(Continued tomorrow, with the story of the Ninth Convention)

Fond du Lac Party
Appleton people have received invitations to attend the dancing party given by the Jewish Aid Society at Fond du Lac Sunday night. The party is for the benefit of Jewish war sufferers, and the Immigrant Aid Society of New York. Several local people are planning to attend.

Licensed at Menominee
An application for marriage license has been made at Menominee, Mich., by Josephine Appelbaker of Kaukauna, and Emil Wieseberg of Oshkosh.

Birthday Party
Jeanette Poetzl, daughter of Mr. and Mrs. Jack Poetzl of 318 Jefferson street, entertained seven little friends at her home Sunday, in being her seventh birthday anniversary. Games were played, and dainty refreshments served.

Hold Card Social
Ten tables were in play at the card party given by the Ladies' Auxiliary of the Machinists' Union at Eagle hall Monday night. Prizes at schafkopf were won by Mrs. John Hoffman, Mrs. Charles Ratzman, and Heim Hussner.

H. T. G. Club Party
The girls of the H. T. G. club entertained their men friends at a dancing party last evening, at the home of Miss Mathilda Schmidt, Second street. Vocal selections by Miss Vera Rade-

macher were also included in the evening's entertainment and a dainty luncheon was served. Those attending from out of the city were De Forest Giebel, Neenah; Leo Warner and Mr. Knapstein, Greenville; and Mr. Dabreiner of Hortonville.

Elect Delegates
Mrs. G. H. Peerenboom and Mrs. A. G. Meating will represent the West End club at the district meeting of the Federated Woman's Clubs at De Pere next Thursday.

Surprised on Birthday
Harold Berro was pleasantly surprised by twenty friends at his home at 644 Bennett street Tuesday evening, his birthday anniversary. A musical program and games, followed by dancing, occupied the evening. Prizes at games were won by Daniel Piette, Edna Becker and Mildred Brandl. A midnight supper was served.

Miscellaneous Shower
About forty young ladies entertained Miss Josephine Neugebauer at a miscellaneous shower at her home on North Division street last evening. Dice and hearts were played. Prizes were won by the Misses Evelyn Schuenke, Lydia Kasten, Emma Sager and Esther Heiss. Refreshments were served.

You-Go-I-Go Club
The You-Go-I-Go club met at the home of Miss Josephine Lorel on Franklin street last evening, where the usual program was carried out. Miss Esther Winters, North Division street, will entertain the members next week.

Press Club Dance
The annual dancing party of the high school Press club will be held Friday night at the school gymnasium. Music will be furnished by Schaefer's Original Jazz orchestra.

Will Make Wreaths
Members of the Woman's Relief Corps, Auxiliary to the Grand Army of the Republic, are to meet Friday afternoon and Saturday at the city hall basement to make wreaths for Memorial day.

Service Star Legion
Plans for the Memorial day pro-

gram will be completed at a meeting of the Service Star legion at the armory at three o'clock tomorrow afternoon. Arrangements for the annual outing of the legion will also be made.

Formal Dancing Party
Patronesses of the Phi Epsilon honorary musical sorority at Lawrence college, will give a formal dancing party Saturday night at Elks hall for the members and their friends. A number of alumni from out of town are expected to attend.

Week End Parties
Theta Phi fraternity will entertain its friends over the week end with a series of social affairs. A house party will be held Thursday evening. Friday night a dancing party will be given at Elks hall and Saturday will be spent on an outing to Clifton.

Miss Pierce Entertains
Miss Virginia Pierce, Locust street, entertained a number of friends last evening at her home at a party. Dice was played, first prize going to Miss Helen Seering.

Prat Housewarming
Phi Kappa Alpha fraternity will entertain its patrons tomorrow evening at its new home, 496 South street, at a housewarming. Other guests will be entertained Saturday night at a housewarming.

Entertains at Cottage
Fred Felix Wettengel will entertain members of Beta Sigma Phi fraternity and their friends Friday afternoon and evening at his cottage at Alicia park. Special plans are being made for the outing.

S. S. S. S. Club
The S. S. S. S. club met last evening with Miss Reneta Peters, 836 North Division street. Schafkopf was played and prizes won by Miss Emma Semler and Mrs. Fred Kostitzke. A light luncheon was served. The next meeting will be at the home of Miss Semler, Durkee street.

Marriage Licenses
Applications for marriage licenses were made this morning to Herman J. Kamps, county clerk, by Dewey John Silas and Gertrude Jorlon of Oneida; Arthur Raether of Shawano county and Ella Fischer of Cicero.

For Bride Elect
Miss Selma Welland entertained a group of young ladies at a shower at her home at 725 Franklin street last evening in honor of Miss Nina Roudelush whose marriage is announced to take place soon. Miss Agnes Jansen won a prize at dice. A three course lunch was served. The table decorations were sweet peas and blue birds.

Larsen Couple Wed Here
Miss Harriet L. Koniow and Henry W. Woestenbergs, both of the town of Larsen, were married at three o'clock this afternoon at the parsonage of First English Lutheran church. The ceremony was performed by the Rev. P. W. Nesper. Charles Glassbrenner and Mrs. Nellie Anunson attended the couple.

Wed in Waukegan
Announcement was made today of the wedding of Miss Ethel Ralsler, daughter of Mr. and Mrs. A. A. Ralsler of 1090 Packard street, and Wil-

liam Engel, Kaukauna, which occurred last Thursday at Waukegan, Ill. The couple arrived in Appleton today after a brief wedding trip to Chicago.

Mr. and Mrs. Engel will make their home at Kaukauna, where Mr. Engel is connected with the Thilmany Paper company.

Fraternity Initiation
The nine seniors of Lawrence college, recently elected to Phi Beta Kappa, national honorary fraternity, were initiated Monday evening at the home of Dr. Samuel Plantz. A seven o'clock banquet followed.

Dr. L. A. Youtz acted as toastmaster. Mrs. A. C. Remley, Dr. W. E. McPheeters, and Dr. Frances A. Foster presented toasts. The initiates were Ovidia Hausing, Barron; Marjorie Newton, Waukegan; Grace Haylett, Evansville; Jennie Dixon, La Crosse; Laura Schramm, Plattville; Ruth Sandborn, Appleton; Rexford Mitchell, Wittenberg; Francis Rosecrance, Rockford, Ill.; and Kevill Larson, Neenah.

Woman's Club Picnic
The picnic held last evening at Alicia park for the members of the Appleton Woman's club was an enjoyable affair. No pre-arranged program of entertainment was presented, but the picnickers spent a delightful evening.

Each one brought her own basket lunch, but hot coffee was served by the committee in charge. The picnic is the last regular gathering of the club for the season. No more meetings will be held until September unless it be necessary to call special meetings.

Mitzi Club
Miss Ethel Hager entertained the Mitzi club at her home, 675 Superior street, last evening. Dice was played and prizes won by Miss Luella Jensen and Miss Anna Hollenbeck. Light refreshments were served.

Farewell For Evans
A farewell social for Dean Frederick Vance Evans is to be given by the choir of the First Methodist church following its rehearsal this evening. This will be the last rehearsal under the leadership of the dean, as he leaves in about a week for California. A program will be rendered and a luncheon served.

SHORT NOTES

An important meeting of the senior class will be held this afternoon at the high school.

Miss Loretta Peerenboom has gone to Antigo, where she will be the guest of Mrs. James Bradley for the next few days.

A dance will be held at Lamer's hall at Little Chute Friday evening, May 28. Stocker Bros.' orchestra will furnish the music.

Mr. and Mrs. George Rosebeck, who have been visiting relatives here for several days, returned home to Niagara this morning.

The Misses Alma Brill, Hildegard Gluckstein, Nola McCullough, Gertrude Hoffensberger and Hildegard Kamps have returned from an automobile trip to Chain-o-Lakes, Waukegan.

Mrs. W. F. Hauert, Pacific street, was taken suddenly ill Tuesday night, and was removed to St. Elizabeth hospital, where she submitted to an operation this morning.

A fish fry will be one of the features of the regular meeting of the machinists' union at Eagle hall Thursday evening. Elaborate preparations have been made for the event.

Ladies of the Loyal Order of Moose will hold a fish fry this evening at Moose hall. There were enough fish left over from the party for men members of the order last evening to supply the "fry" tonight.

The H. J. Thorson Lumber company, which is completing erection of a saw mill on the old fair ground property, has opened offices at 841 College avenue. It is expected that the mill will be in operation soon.

Leo A. Nickasch, Appleton boy, who had been organist in a Catholic church at Burlington, Wis., has accepted appointment as organist in St. Mary church in South Kaukauna. He will take over the work in June.

Entertainment at Waverly beach will be supplied this summer by the Husk O'Hare orchestra of Chicago, and Miss Frances Wagner, a ballet singer. The entertainers arrived Monday evening and expect to remain during the summer.

The meeting of the Catholic Order of Foresters last evening lasted only a few minutes. One or two business matters were given attention and the meeting then adjourned, as most of the members desired to continue devoting their time and attention to the hospital drive.

Miss Della Schmidt, formerly stenographer in the register of deeds' office at the court house, has accepted a position in Dr. D. J. O'Connor's office.

Theodore Berg, city attorney, left for Madison this afternoon on city matters that had been referred to him.

A semi-monthly meeting of the Trades and Labor Council will be held this evening. Routine business will be disposed of.

C. N. Lindsey is in a critical condition at St. Elizabeth hospital, where he submitted to an operation Saturday.

E. M. Ziek of Green Bay, traveling accountant for the Chicago & Northwestern railway, was a business visitor here today.

DANCE AT LAKE PARK FRIDAY NIGHT.

BOLSHEVIK DRIVE IN UKRAINE IS BROKEN

By United Press Leased Wire
London.—The bolshevik offensive appears definitely broken down, according to latest official statements issued in Warsaw, received here today.

The situation north of the Dvina and along the upper Berezina river was stationary, the statements declared. The report of the re-capture of Kieff by the bolsheviks was denounced as absolutely false.

ABOUT TOWN

SAYS NOT GUILTY—Dr. Robert Larsen appeared in court Tuesday afternoon to answer to the charge of driving his automobile at a speed of 28 miles an hour on College avenue Monday afternoon. The arrest was made by Officer Ratzman. He pleaded not guilty and his case was adjourned until Saturday.

PLEA FOR HOSPITAL—An appeal that the students give their share in the hospital drive now on was made this morning in chapel by President Samuel Plantz. Subscription blanks lected tomorrow from the students.

SCHOOLS CLOSE—The High Ridge and Elm Free schools in the town of Greenville have closed for the summer. Picnics were held by both at which ice cream and other delicious things were served the pupils.

BUILDS SILO—Albert Hoh has started construction of a new silo on his farm in Greenville. The barn, which has been under erection for the last few weeks, is nearly completed and a barn dance is planned when it is finished.

HUNT RUNAWAY—The police department has been asked to apprehend Albert Braatz, a 20-year-old youth who ran away from his home at Belle Plain. He withdrew \$165 from the bank yesterday and was thought to have come to Appleton, but no trace of him has been found here.

Births

A daughter was born at Maternity hospital Monday evening to Mr. and Mrs. Henry Kraus of 580 Walnut street.

Prof. F. M. Ingler, Effingham, Ill., who will have charge of the Department of Commerce at Lawrence college next year, spent a few days here arranging the course for next year. At present he is superintendent of the city schools at Effingham.

OBITUARY

KEATH VANDER LINDEN
Word has been received here of the death of Keith Vander Linden, four year old son of the Rev. Harry Vander Linden, Oakfield, N. Y. Death was due to scarlet fever. The boy is the grandson of Mr. and Mrs. J. Vander Linden, Spring street. The father was a resident of Appleton for several years and a student at Lawrence college. Burial of the boy is to take place at Oakfield.

\$300 For Spanking
By United Press Leased Wire
Milwaukee.—The sum of \$1,000 is too much for a spanking, Judge Oscar M. Fritz here ruled, and reduced the amount of damages to \$300.

The award was made on suit brought by Joseph Swedish, through his mother, against Edward Cassman, principal of a West Allis school, who spanked the boy.

A. L. Nichols of Nichols, was an Appleton visitor yesterday.

New Job for Hoover
By United Press Leased Wire
Boston, Mass.—Herbert Hoover is being considered by the executive committee of the Massachusetts Institute of Technology corporation for president of that institution, to succeed the late Richard C. McLaurin. It was reported here today.

Mr. and Mrs. Benjamin Gessner and children of Beaver Dam, who have been visiting Appleton relatives, have returned home.

Italian Borsalinos

FROM now on you'll enjoy wearing one of these newly imported no-weight Italian Borsalinos. Really they're wonderful hats; light, comfortable, very stylish, and very durable.

The quality's very fine. Priced at \$10

EFFECTIVE PITCHING
WINS FOR PIRATES, 2-0
PITTSBURG — Effective pitching by Carlson and excellent support enabled Pittsburgh to defeat Brooklyn 2 to 0, on Thursday. Carlson also pitched a good game, misplays being responsible for the Pirates' runs. Olson's error in the fifth followed by a sacrifice and Schmidt's single, scored the first run. The second came in the sixth, when Wheat and Ward permitted Carey's easy fly to drop between them. The runner reached second and scored on two sacrifice hits. Score: Brooklyn 0, Pittsburgh 2.
VAUGHN COPS FIFTH
STRAIGHT WIN, 7 TO 2
CHICAGO — Vaughn won his fifth consecutive game on Tuesday when Chicago defeated Philadelphia, 7 to 2, making a

clean sweep of the series. The Athletics went to pieces in the sixth inning when the locals bunched six of their hits, with erratic doubling by J. Miller, and plied up a lead which Philadelphia was unable to overtake. Score: Philadelphia 2, Chicago 7.

HOOPEE'S HOMER WINS
FOR BOSTON SOX, 2 TO 3
BOSTON — Hooper's home run off Sotherton into the right field bleachers in the last of the eighth with none out, gave Boston a 3 to 2 victory on Tuesday over St. Louis. Michael's brilliant work at first was a feature. Score: St. Louis 2, Boston 3.

RECRUIT PITCHER HOLDS
WHITE SOX TO SIX HITS
PHILADELPHIA — Moore, recruit left hand pitcher from Texas, held Chicago to six hits on Thursday and Philadelphia won, 5 to 1. Moore drove in three of the local rallies, knocking a home run over the right field fence with a man on base in the fourth and scoring Witt with a single in the eighth. Walker's sixth home run of the season came with Thomas on base in the first inning. Score: Chicago 2, Philadelphia 5.

GIANTS BREAK EVEN
WITH CARDINALS, 7-5
ST. LOUIS — New York got an even break on the series with St. Louis by winning Tuesday's game, 7 to 5. Ragged hitting by the locals contributed materially to the visitors' victory.

CHAMPION REDS WIN AN
EASY GAME FROM BRAVES
CINCINNATI — The Reds hit both Pillingham and Oeschger hard on Tuesday and won from Boston by 11 to 2. Pillingham started his first game of the season, did not allow a hit in the two innings he worked. In the last half of the second inning after driving in the first run with a single, he was injured in sliding to second, and an X-ray taken Tuesday night showed that a small bone in his ankle is broken. Lague pitched well after taking Bressler's place. Score: Boston 2, Cincinnati 11.

RUTH GETS ANOTHER
HOMER AS YANKS WIN
NEW YORK — The New York Yankees defeated Detroit in a hard fought nip and tuck game on Tuesday, 4 to 3. The Yankees broke a tie score in the ninth inning, when Ruth walked and scored on singles by Ward and Peckinpaugh. Ruth hit his seventh home run of the season in the first inning, driving in Dipp ahead of him. Score: Detroit 1, New York 4.

TWO TEAMS WANT TO JOIN
FACTORY BALL LEAGUE
An important meeting of the board of control of the Inter-factory athletic league will be held at the Y. M. C. A. at 7:30 o'clock Friday night. Two more teams, Auto Body Works and Patterson Plumbing Company, have made application to join the baseball league, now playing. The addition of these two clubs will make a twelve team league. Games are played every Saturday.

SOPHOMORES WALLOP
UPPER CLASS SQUAD
Sophomores easily defeated the juniors 19 to 5, in the second game of the high school baseball league at Jones Park Tuesday afternoon. The sophs went on a rampage in the third inning, and bunched hits with several errors, scored 9 runs.

Llewellyn pitched good ball for the victors. Roach was on the receiving end. Jacobson hurled for the juniors.

INTENTIONAL PASS
RULE IS FAILURE

HEAVY SLUGGERS ARE PASSED
IN PINCHES AS IN DAYS OF
YORE, DESPITE NEW
LAW

(By Henry L. Farrell)
By United Press Licensed Wire
New York — After grooving one for Babe Ruth that took a ride into the upper right field stand yesterday, "Dutch" Leonard played safety first the next time with the demon slugger. He walked him.

The fans moaned. They razed the "Dutchman" called Hugh Jennings a joy killer.

New York fans are paying good money to see the Babe in his role of ball murderer and they don't like to see him fooled.

Leonard isn't the only pitcher walking Ruth in tight places and Ruth isn't the only slugger being walked in the pinches.

Instead of curbing the intentional pass, the legislation enacted last winter has been nothing but an official complaint and a little headed at that.

It was thought that by confining the catcher's activities to the limits of the box, the pitcher would be forced to shoot them over. But Ray Shalk, Steve O'Neil, Frank Snyder, Muddy Ruel and others have been able to take all kinds of wild shots without stepping over the "foul line."

"The rule against the intentional pass has not been a success in the expected degree," John A. Heydler, president of the National League, said today.

LAWRENCE CONFIDENCE
GROWS AS MEET NEARS

Lawrence track athletes are "working their heads off" in preparation for the dual track and field meet against Ripon at Lawrence field Saturday afternoon. The Blue and White squad expects to have a little surprise for the visitors, who are coming here confident of an easy win.

Ripon has a well balanced aggregation, but is especially strong in the track events. In the long distance events the Hooley boys, Leigh and Charles, will have some fast competition. Leigh is picked as the probable winner of the mile event, and his brother should show his heels to the field in the two mile run.

Norington is showing good form in the discus and will cop a place easily. Wheeler's javelin throwing should also score for the Blue and White. Beyer is relying on Water-pool for the dashes, and Gardener, Rabehl and Roeder for the hurdle events.

SHORTAGE OF BOX
CARS IS STILL ACUTE

While coal, pulpwood and certain other kinds of freight that can be shipped in gondola cars are arriving in Appleton in large quantities, A. W. Lase, agent of the Chicago, Milwaukee & St. Paul Railway company, says that the box car situation is becoming more serious each day and that it is almost impossible to get one even in the most urgent cases. He mentioned an instance where one of the heaviest patrons of the Lake Superior division, the Carnation Milk company, which has a branch plant at Chilton and which was in need of several cars, was unable to get any for several days.

DISCUSS GAME LAWS AT
MEETING HERE TONIGHT

Closed season for hunting muskrat, mink and other fur-bearing animals will be discussed this evening at a meeting of sportsmen called by the Wisconsin Conservation commission. The meeting is to be held at the court house at eight o'clock. Several representatives of the commission will be here to get viewpoints of Appleton and Outagamie county sportsmen.

The one buck law as applied to deer hunting, which has occasioned much discussion throughout the state, will also be reviewed. The commission expects to regulate hunting and trapping in the state after ascertaining the sentiment of hunters.

DANCE AT LAKE PARK FRIDAY
NIGHT.

APPLETON PEOPLE WILL
SPEND 4 MONTHS ABROAD

Mrs. John Steinberg and daughter, Miss Hilda Steinberg, 922 Atlantic street left last night on a four months' visit to Europe. They went direct to Montreal from which city they will sail on May 29 for Glasgow, Scotland. During their absence they will tour Scotland, England, France, Belgium, Norway and Sweden.

A dance was given at Gairnor's hall at Mackville last night, attended by a large crowd. Appleton and all the other neighboring cities and towns were represented. Music was furnished by Gibson's orchestra.

OIL, NOT RESIN, IS
LURING WILLARD NOW

FORMER HEAVYWEIGHT CHAMP
SAYS HE IS THRU WITH
THE FIGHT GAME
FOREVER

(By Henry L. Farrell)
By United Press Licensed Wire
New York — The lure of the ring is gone. Jess Willard's nose is leading him to oil, not to resin. He's through with canvas carpets and padded ropes.

The big fellow, the former heavyweight champion of the world, said so himself here today.

Brown like a plainsman, fat only to the extent of 270 pounds, the huge Kansan looks fit. Against a background of dark tan skin, multiple gray hairs on his temple stand out in sharp contrast.

"Every day since last August, I have spent from ten to fourteen hours in the open either in the saddle or on a buckboard riding through the mountains and over the plains. Getting ready to come back? Never."

In his first statement since he came to New York on what he declares a business trip entirely foreign to the ring, he insisted that he is through with the fight game.

"Fighting is a young man's game. I'm going to make my stake in the future at a game where age is not a handicap—at oil prospecting. I feel sure that Fred Fulton and I could make some good money in a fight but I would take long preparation and it I'd devote the same time to my other business, I feel sure I can get the same returns."

FIVE KILLED IN ITALIAN
ANNIVERSARY "PARTY"

(By United Press Licensed Wire)
Rome — Four policemen and one civilian were killed and two policemen and nine civilians, including two women, were seriously injured here today in a clash resulting from a demonstration by students in connection with the celebration of the anniversary of Italy's entry into the world war.

LUMBERJACK SLAYER OF
CHILD GOES TO PRISON

(By United Press Licensed Wire)
Ashland, Wis. — Edward McLeod, lumberjack, who confessed to the slaying of five year old Gwendolyn Sherman at Powell, Wis., Friday, was taken to Waupun today to begin serving a sentence for the crime. McLeod was captured, confessed and sentenced within twenty-four hours after he had choked the child to death.

CEMETERIES ARE
DESECRATED BY
NIGHT REVELLERS

KEEPERS OF RIVERSIDE AND ST.
JOSEPH CEMETERIES IN
DIGNANT OVER DESECRATIONS

Destruction of cemetery property and of evening parties on the grounds of Riverside and St. Joseph cemeteries has aroused the indignation of the keepers of the grounds.

It is said that students and others ignore the warnings against trespass and go to the cemetery in the evening to hold picnic suppers, marshmallow roasts and other larks. They have even gone so far as to tear down fences and pull up posts for firewood and have built fires on the cemetery lots. Their luncheons are prepared, according to D. Meidam, keeper of Riverside cemetery, and the paper, baskets and refuse are left lying on the grounds.

"The cemetery is no place to hold such parties," said Mr. Meidam. "Why don't they go to the city parks and build bonfires and litter the grounds? They have committed all kinds of depredations and among other things have torn down shrubbery and removed flowers. I think it is a disgrace to use hallowed ground like a cemetery for such purposes. People seem to forget that the cemetery property extends to the river bank and that they are just as much trespassers there as in the cemetery proper."

A sign is posted in the cemetery forbidding shooting on the grounds and it is stated that the sign is shot full of holes in open defiance of the regulation. Intruders have been warned by the keepers of both cemeteries to stop their depredations, but it is said that taunting remarks are made in reply. Definite clues as to the identity of some of the intruders are said to be in possession Mr. Meidam.

IRISH TRAINMEN REFUSE
TO TRANSPORT MUNITIONS

(By United Press Licensed Wire)
London. — Serious consequences as a result of the refusal of Irish railway workers to move trains carrying munitions of war or Sinn Fein prisoners were foreseen by newspapers here today.

Great importance is attached to the forthcoming decision of J. H. Thomas, general secretary of the Na-

KILLED AT FOND DU LAC
AFTER VISITING APPLETON

William H. Shingler, manager of the Standard Oil Company, at Fond du Lac, was killed late Monday afternoon when the truck he was driving was struck by a Soo line passenger. Shingler was killed instantly. The truck was demolished.

Shingler had just left his home, where he informed his wife of his safe return from Appleton, a few minutes before the accident occurred. He had come to this city to secure a heavy oil truck for use at the Fond du Lac station.

A dancing party will be held tonight at Fourth Ward school. The-ten's orchestra will furnish music.

Washington. — The census bureau today announced the following 1920 population results:
Duluth, Minn., 98,917; Andover, Mass., 7,489; Mt. Carmel, Pa., 17,049.
Increases since 1910:
Duluth, 20,451, or 26.1; Andover, 188, or 2.6

White Footwear!

Every woman will want white footwear this season and from the outlook we believe that every woman will be wearing a pair of white shoes of some model! We've certainly a showing of white footwear that merits the attention of women that appreciate particularly choice white shoes!

We're showing oxfords in washable kid and white Nile cloth, medium and high heels.

White beauties, also, in colonials, pumps and slippers.

White Oxfords and Pumps at \$2.95, \$4, \$4.50, \$5, \$6

Our white footwear at these prices will surprise the woman that thinks moderate priced shoes can not be had these days!

Essex Motor Cars

Note How Essex Trebles Motor Power

The swing of interest to light cars, led by champions of the Essex, calls for particular caution.

Some may think of Essex only as one of a finer type, marking a general advance in standards throughout the light car field.

But the facts quickly expose that mistake. The Essex Motor is patented. No larger than standard motors that yield but 18 H. P. at utmost, the Essex delivers 55 H. P. And Essex performance, so enthusiastically admired by all motordom is the product of that exclusive invention.

Essex has set the greatest official endurance record of 3037 miles in 50 hours. It has never

been equalled by any car, regardless of size or price. And Essex made the world's 24-hour road record of 1061 miles.

All Results of Its Patented Motor

For cars of its piston displacement it has set every official record from 1 to 50 hours. And in its first year it set a selling record never equalled in motor history.

It creates a new standard of light car capacity in a totally new type. And it cannot be copied. Do not forget that. You can get the abilities for which these records stand, only in the Essex.

PEOPLE'S FORUM

RAIL CLERKS' WAGES

An article appeared in the leading papers Monday given out by Mr. E. T. Witter, spokesman for the railroad owners, which states that in the last five years the railroad clerks and freight handlers have had their wages tripled.

We emphatically deny this statement and can prove to anyone that our wages have positively not been so much as doubled.

The wages that are now being received by clerks and freight handlers are about thirty-five to forty per cent higher than in 1914.

Mr. Witter cannot be very well acquainted with the wages that are being received by the railroad employees, or he is trying to hood wink the public into believing that the employees are receiving a fair wage.

We would like to have Mr. Witter show us why we are not receiving these wages as he states they have been granted in the past five years. If the clerks and freight handlers were receiving wages three times higher than in 1914 they would be more than satisfied. There also appeared an item which stated that baggagemen were asking a wage of \$214 per month. We wish to state that baggagemen were receiving the same rate of pay five years ago as the clerks and today are receiving the same minimum wage which has been given the clerks. What they are now asking for is the same fair wage asked for by the rest.

We wish to call the public's attention to the fact that the railroad unions have been more than lenient toward the government and the railroads. We are working under conditions that cannot be equalled by any industries. All we are asking for is a fair living wage so that we can continue at our present work and not be forced to seek work elsewhere.

WILLIAM G. DAVIS,
Local Chairman, Brotherhood of Railway Clerks.

Multiple Listing

Does this convey any meaning to you, Mr. Home Buyer, Mr. Property Seller?

When you make your selection for your future home, which would you prefer to choose from—a list that one individual has been able to gather, or from a combined list of properties brought together through the efforts of the members of the APPLETON REAL ESTATE BOARD.

When desirous of selling, the first question that arises is:

WHERE CAN I OBTAIN THE BEST SERVICE?
There should be but one answer to this question—when you consider that the members of the APPLETON REAL ESTATE BOARD will work on the property, each one giving you and your property the BEST SERVICE.

These are the benefits of **MULTIPLE LISTING**. Interesting, isn't it? Think it over. Then see one of the members today.

Appleton Real Estate Board

HUNDREDS WITNESS LAST RITES FOR DARBOY MAN

Funeral of Raymond Hoelzel, Killed at Seymour, is Well Attended—Other Darboy News of Interest.

(Special to Post-Crescent)
Darboy.—Last week Wednesday afternoon Mr. and Mrs. John Hoelzel received a sad telephone message from Seymour announcing that their son Raymond was instantly killed while at work at that place for the Wisconsin Traction, Light, Heat and Power company. Raymond was born here on May 3, 1900, and attended the parochial and district schools. The funeral was held at ten o'clock Saturday morning at the Holy Angel's church here. The requiem was read by the Rev. Theodore Kersten. He was laid to rest in the family lot. The following friends were his pall bearers: Henry Stumpf, Joseph Palm, Edward Stumpf, Mike Mehl, John Fischer and Richard Mader. He is survived by his parents, one sister, Mrs. Mike Lusk; five brothers, Clement, Florian, Wilfred and Alexander of this place, and George of Appleton. Among those from out of town who attended the funeral were Mr. and Mrs. George Hoelzel, Miss Linda Thiel, Mrs. Anna Luethe, Miss Rose Liothen, Mrs. Andrew Hoffmann, perger, Mr. and Mrs. Frank Probst, William Faville of Appleton; John Stumpf of Hilbert; Mr. and Mrs. J. F. Schwallbach and daughter, Miss Gladys of Grand Chute; Miss Isabelle Boehlme of Menasha; Mrs. Louis Resch and Joseph Resch of Menasha; Mrs. George Keilhausner and son Ruban, Mr. and Mrs. Thomas Schiffling, Mr. and Mrs. Tony Tundin of Menasha; Mr. and Mrs. Harry Russmussen, Mr. and Mrs. Peter Neustifter, Mrs. Joseph Hartle of Oshkosh; Miss Katherine Hoelzel of Menasha; Joseph Hoelzel of Stockbridge; Henry Laus of Menasha; Mr. and Mrs. Joseph Fassbender of Greenville, and Miss Annie Fassbender of Appleton.

Mrs. Anton Hartzheim and children of Chilton spent Saturday and Sunday with her sister, Mrs. John Wolfinger.

Joseph Hartzheim, Henry Jochmann, Mike Hartzheim, Sr., and Tony Sprangers autted to Milwaukee on Sunday and spent the day with John Hartzheim.

Charles Rockstroh and Joseph Jones of Appleton, were callers here Saturday.

Mrs. De Groot returned to her home here after a few weeks' visit with relatives in Minnesota.

Mr. and Mrs. J. A. Van Groll attended the funeral of the infant daughter, June, of Mr. and Mrs. Nick Licht of Kaukauna last week.

Miss Trace Ashauer called on friends at Green Bay.

Anton Koss purchased a Ford sedan last week.

The Columbia Colored Jazz orchestra of Green Bay has been engaged to furnish music at the Legion dance given by the Little Chute post next Monday evening, May 31, at Ashauer's hall.

Eddie Withrop is erecting concrete silos this week on the farms of William Hartzheim and Jacob Henk.

A large crowd enjoyed the drama, "Safety First," last Sunday evening at Little Chute.

Hugo Wittman attended the soldiers' banquet held at the Morrison hotel in Chicago on Saturday evening in honor of the Medical Corps of which he was a member.

Jake Ashauer has purchased a Ford roadster.

GROCERY STORES TO BE CLOSED MONDAY.
Appleton grocery stores will be closed all day Monday, Memorial day according to a resolution adopted at the meeting of the Appleton Retail Grocers last evening at South Masonic hall.

Plans were completed for a picnic to be held the latter part of June. The place has not been definitely decided, but it is believed that it will be held at Waverly beach.

MEMORIAL TABLET IS PRESENTED TO COLLEGE.
A bronze tablet, the gift of the parents of the Lawrence students who died in the war, has been received by the college. The tablet is a tribute to the memory of the men who died and enshrines their names.

The tablet will be placed in a conspicuous place in the Lawrence Memorial chapel. Special services will be held Alumni Day, June 15, at its unveiling. It is expected that a Lawrence alumni will present the memorial address.

Sam Demos, who conducted a hat cleaning shop at Pond du Lac, has disposed of his business there and plans to reside permanently in Appleton. He will engage in the same business with his brother here.

POLITICAL BY-PLAY MAY DEFEAT PURPOSE OF SPECIAL SESSION

CAMPAIGN AGAINST GOVERNOR
PHILIPP MAY DEVELOP—
EXCLUDE TWO RES-
OLUTIONS.

Madison, Wis., Will the special
session of the legislature accomplish
the purpose for which it was called,
or will it prove a failure? That is the
question which is being discussed in
all quarters today as the members
are getting down to work.

Gov. Philipp has caused the bills
to not only be drafted, but printed,
so they could be presented to the
members when introduced in an effort
to hasten the adjournment of the
extraordinary session. But in the
opinion of many it would be impos-
sible to act on all the measures pro-
posed in the call (and nothing not
contained in the call can be acted up-
on at a special session) before the
end of next week. Therefore the
question is, will the members remain
for two weeks?

No Extra Pay. The members of the legislature re-
ceive no compensation for the special
session. They each receive mileage
at the rate of 10 cents per mile from
their homes to Madison and return by
the most direct route, but that is all.
The Socialists, come at the defeat of
the proposed constitutional amend-
ment which would have increased the
compensation of the members from
\$500 to \$1,000, declare they will
leave Madison Friday evening and
will not return next week, at the same
time they are said to be opposed to
all the appropriation bills.

Assemblyman O. P. Vaughan, Craw-
ford county, said there was no occasion
for a special session, that he will
vote against every measure which
comes up.

Axel Johnson, Polk county, one of
the progressive leaders, declared he
is going home Friday night and will
move indefinitely postponement of all
bills not passed by that time.

Politics Is Injected.

It appears to be the general im-
pression of those informed on all the
bills, that there would be but little
trouble in completing the work of the
session if politics were not injected
into the matter. However, as the
members were gathering Tuesday it
was evident that politics would play
a most important part in the special
session.

It is claimed the Socialists, La Fol-
lette followers and Non-Partisan
Leaguers have an understanding on
the measures and will oppose them
as a slap at Governor Philipp, in an
effort to discredit him and his admin-
istration. If they succeed in killing
the measures it will mean their in-
jection into the coming campaign.

No Loyalty Fight.

There will be no "loyalty" fight
during the present session, as there
was during the special session in
1918.

Immediately after the joint session
of the senate and assembly, which
had convened to hear the governor's
message, had adjourned, Assembly-
man Arnold C. Otto, Milwaukee, of-
fered two joint resolutions, one to
again submit to the electors of the
state the proposed constitutional
amendment increasing the salaries of
the members of the legislature, and
the other memorializing congress to
amend the United States constitution
by providing for the direct nomina-
tions of president and vice-president
by the people at a primary election,
held the same day in each and every
state.

No sooner had the titles of the two
resolutions been read than Assembly-
man Graess moved that no resolu-
tions be permitted which were not
germane to the call for the special
session. Assemblyman Otto demand-
ed a roll call and the motion, amend-
ed to except memorials for deceased
members, was carried 62 to 8, thus
shutting out the Otto resolutions.

The desk occupied by Assembly-
man Elber Simpson during the regular
session of 1919, is draped in crepe,
while a beautiful bouquet of roses,
from his former colleagues, stands on
the table of the late Oshkosh as-
semblyman.

Resolutions in the form of memori-

DELIVERY CAR CRUSHED BETWEEN TWO BIG TRUCKS

A light delivery truck owned by the
C. F. Smith livery and driven by Er-
win Kimball was completely demol-
ished Tuesday noon on the Kimberly
road. Kimball was driving north and
attempted to pass a large truck of the
Kimberly-Clark company proceeding
in the same direction. As he turned
to the left he discovered a truck
owned by a Milwaukee firm coming
in his direction. Kimball applied his
brakes but was unable to stop his ma-
chine and got behind the Kimberly-
Clark truck again before the oncom-
ing Milwaukee truck approached. The
Smith truck was wedged between the
two. The impact of all three ma-
chines converted the Smith machine
to kindling wood. Not even the en-
gine came out of the mixup without
breakage. Kimball managed to es-
cape with no injury but a blow on one
knee and he is at work as usual to-
day.

\$400 FIRE IN SIMON CHEESE COMPANY PLANT

Fire broke out about two o'clock
this morning in the boiler room of the
N. Simon Cheese company, Morrison
street. A taxicab driver discovered
the fire and notified a police officer
who summoned the fire department.
The fire started beneath an iron con-
tainer filled with hot ashes and crept
along the floor under a tin coating
until it reached an outer wall of the
frame structure. The end wall of the
one-story wing was damaged. The
loss amounts to about \$400.

NON-PARTISAN LEAGUE IS CALLED A MENACE

By United Press Licensed Wire
Sparta, Wis.—"The Non-Partisan
League is an actual menace in Wis-
consin," according to speakers at the
annual meeting of Group 7, Wiscon-
sin Bankers' Association, held here
yesterday.

The bankers asserted the league,
"unless met at once by organized re-
sistance, will inject itself into the
state legislature with results similar
to those experienced in North Da-
kota."

Mark Johnes, Sparta attorney, gave
a ringing denunciation of Townley-
ism, the Non-Partisan League and So-
cialism.

"The farmers have a real grievance
in that they have been unorganized
for marketing while everyone else
has been organized," he said.

"Unless we help them remedy this
condition, the propaganda of the
Townleyites will fall on fertile soil."

HOOLEY IS EXECUTIVE OF LOCAL BOY SCOUTS

Leigh Hooley has been officially
commissioned as acting scout executive
effective June 1. This was done so
that there will be no interruption in
the scout work until a permanent ex-
ecutive can be found by the Appleton
Boy Scout council. When the choice
is finally made, Hooley will continue
as his assistant until affairs are in
smooth operation.

Mr. Hooley is a student at Lawrence
college and attained the rank of Eagle
scout, the highest in the order, while
connected with the work at Milwau-
kee. At the request of Appleton boys,
he assisted in organizing several pa-
trols. His efforts were highly suc-
cessful and there are over 200 boys
actually enrolled now. Mr. Hooley
has given his services voluntarily ever
since last fall and has met with much
success.

LAWRENCE GRADUATE GETS BIG APPOINTMENT

Professor A. G. White, graduate
of Lawrence college, has been ap-
pointed director of research in the
Wharton School of Finance and Com-
merce, University of Pennsylvania.
The appointment was made coinci-
dent with several important changes
made in the curriculum providing
that every senior take and complete
satisfactorily a course in research.

Mr. White is well known in this
city, having graduated from Law-
rence in 1907. Mrs. White was
formerly Miss Enid Saecker, daugh-
ter of Mr. and Mrs. Herman G. Saeck-
er of this city.

FOND DU LAC LABOR ADOPTS NEW PLATFORM

Fond du Lac labor unions, at a
meeting Sunday afternoon adopted
the platform of the Wisconsin Farm-
Labor league which is similar to that
subscribed to by the Appleton Trades
and Labor council and members of
county farm organizations recently.
Another meeting is to be held in
Fond du Lac next month to consider
candidates for political offices.

Arrangements for another meeting
in Appleton to consider further ac-
tion will be made at a meeting of
Trades and Labor council this eve-
ning. The meeting is scheduled for
June 1.

HIGH SCHOOL SENIORS HELP HOSPITAL FUND

Arrangements are completed for
the presentation of the senior class
play, "The Girl," at Appleton theatre
tonight. It is impossible to accom-
modate the large number who wish to
attend the performance last week
and as a result the play will be re-
peated tonight.

The proceeds of tonight's perfor-
mance will be donated to the St. Eliza-
beth hospital campaign fund. Al-
though there is a large advance sale,
a considerable number of good seats
are still available.

GET PERMISSION TO EXTEND RAIL LINE

WISCONSIN AND NORTHERN IS
GRANTED RIGHT TO BUILD
ITS LINE FROM APPLE-
TON TO NEENAH

The Wisconsin and Northern rail-
road has obtained permission from the
Wisconsin Railroad commission to ex-
tend its line from Appleton to Neenah.
A hearing was held at Madison
Monday and Tuesday at which peti-
tions of Neenah and Menasha resi-
dents asking the extension were pre-
sented. No opposition was encoun-
tered and the certificate of conveni-
ency asked by the company was read-
ily granted.

Contracts for building the right of
way from here to Neenah will be
granted immediately, according to C.
H. Hartley, general manager. It is
not known exactly when work will
start, but the arrangements will be
pushed as rapidly as possible.

The addition of six miles to the
right of way of the Wisconsin and
Northern and its connection with the
Soo line at Neenah gives Appleton
and northern shippers a direct outlet
to Chicago and Minneapolis via the
Soo line. A station will probably be
erected at West Menasha and in Neenah
the Soo freight and passenger de-
pots will be used. The present line
runs from Appleton to Crandon.

NO RESPONSE TO REQUEST FOR AUTOS NEXT MONDAY

No response has been received by
Fred Felix Wettengel, chairman of
transportation committee for Memori-
al day, to his request for 50 auto-
mobiles to convey the veterans and
ladies to the cemetery and back.

"I hope the people of Appleton will
realize the need of cooperation in this
matter," said Mr. Wettengel. "The
cars will be used for a patriotic pur-
pose. They will be wanted at Law-
rence Memorial chapel about three
o'clock Monday afternoon, and are to
be used to convey members of the
Grand Army of the Republic, the
Women's Relief Corps, the War Mothers,
the flower girls and others to
Riverside cemetery and back, a mat-
ter of about two hours. I would like
to have owners of cars willing to
loan them for this period telephone
my office, number 1081, stating the
number of persons they will seat."

GREEN BAY A. OF C. HEAD TO LOCATE IN APPLETON

Frank H. Smith, secretary of the
Green Bay Association of Commerce,
resigned Tuesday afternoon to accept
a position with the Burroughs Adding
Machine Company, with headquarters
in Appleton. Mr. Smith will have
charge of several counties for the
company.

Mr. Smith was secretary of the
Green Bay association for more than
three years. He was engaged for the
office February 2, 1917, soon after it
was organized.

In accepting the resignation the
board expressed its "appreciation for
the services rendered in the interests
of the Association of Commerce and
the city of Green Bay," and wished
him "every success in his new field of
endeavor."

APPLETON FANS PLAN TO SEE GREEN BAY BOUT

Billy Schober, Indianapolis, and
Matty Matsuda, Chicago Jap, have
signed for a finish bout at Green Bay
Friday night, Promoter W. L. Rhodes
announces.

Both men are leaders in the middle-
weight class, and a fast go is prom-
ised the fans. Schober and the Jap
have met twice before, Billy coping
one match and getting a draw in the
other.

A number of Appleton fans are
planning to attend the show. A classy
preliminary will open the card.

BABE SWALLOWS SAFETY PIN; DOCTOR GETS IT

The life of Charles Hoffman, infant
son of Paul Hoffman, 1081 Oneida
street, was in danger for a brief
period last evening. The baby was play-
ing with an open safety pin which it
placed in its mouth and accidentally
swallowed. The pin lodged in the
baby's throat, causing much pain. The
child was rushed to a physician's office
where the pin was removed with diffi-
culty. Outside of soreness in the
throat, the child appears none the
worse for its experience.

GAME ASSOCIATION IS STILL GROWING FAST

Enrollment in the Outagamie Fish
and Game Protective association has
been so rapid in the last few weeks
that the association was unable to
have membership cards printed fast
enough and as a result there are a
large number of men who have paid
membership fees but have not re-
ceived their cards.

G. L. Chamberlain, secretary of the
association, announced yesterday that
the cards would be distributed as rap-
idly as possible. A large number are
going into the mails daily, he said.
The association now has about 700
members and is continuing its efforts
to reach 1,000.

SECOND HONEYMOON SLAYER IS ON TRIAL

By United Press Licensed Wire
Rochester, N. Y.—Pearl Beaver
O'Dell, charged in conjunction with
her husband, James L. O'Dell, with the
murder of Edward J. Knapp, was
placed on trial today before Justice
Robert T. Thompson.

Evidence to support the testimony
of Mrs. O'Dell that she was annoyed
by Edward J. Knapp, the murdered
man, after her marriage, to James
Louis O'Dell and that Knapp tried to
renew improper relations with her,
has been found by Attorney Fuller,
counsel for Mrs. O'Dell, he said.
James L. O'Dell was recently con-
victed and is now in Sing Sing prison
under a sentence of death.

CHANGES IN MEXICAN CONSTITUTION URGED

By United Press Licensed Wire

Washington, D. C.—Article 27 of the
Mexican constitution upon which was
based Carranza's proposed confiscat-
ory legislation against American and
other foreign oil interests, will prob-
ably be eliminated or materially al-
tered by the new government, accord-
ing to advices to representatives of
the new regime here.

The present constitution is to be re-
constructed to more nearly approxi-
mate the constitution of 1857, according
to reports here.

The foreign debt of Mexico with in-
terest is estimated here to amount now
to approximately \$25,000,000. Britain
and France hold about 25 per cent
each of this debt and Germany 15 per
cent, while the United States holds the
rest.

Officials believe that the probable
course of the Mexican government
will be to try to negotiate for a loan in
the United States to wipe out indebt-
edness to the other foreign nations.

PUBLIC IS INVITED TO VISIT SCHOOL BARRACKS

"Open house" is to be maintained at
the high school barracks Thursday
evening starting at 7:15 o'clock. Op-
portunity will be given the public to
inspect the barracks which was con-
structed by the students. Members
of the freshman class will be at work
in the shop the same as in the day
sessions, presenting an actual demon-
stration of the work they are doing.
Some of the furniture made by the
students is to be exhibited. Benches
and other equipment used in the bar-
racks class rooms and made by the
pupils will also form part of the
exhibit.

It is the desire of the faculty to ac-
quaint the parents and others with
what is actually being accomplished
in the manual training department of
the high school and the presentation
of the classes at work was thought
to be the best way of carrying out the
purpose. The public is expected to
attend the demonstration.

SLEEPING SICKNESS TAKES TEACHER'S LIFE

By United Press Licensed Wire
La Crosse—Miss Esther Winslow,
30, a school teacher, is dead at her
home here of sleeping sickness.

Miss Winslow fell asleep two months
ago, after suffering a week from head-
ache. Only twice during that time did
she regain sufficient consciousness to
recognize persons at her bedside.

D.I. FRATERNITY IS PLANNING HOMECOMING

Delta Iota fraternity is making
elaborate arrangements for its Home-
coming, to be held May 28-31, in hon-

or of the alumni. About fifty alumni
are expected here for the event.
Festivities will begin Friday night
with a dinner party at the Sherman
hotel. This will be followed by a
theatre party, after which a smoker
will be held at the fraternity house.
Serenades will be given at all of the
girls' dormitories the same night.

Saturday morning will be devoted
to business to be concluded with a
luncheon at Hotel Appleton. In the
afternoon the track meet with Ripon
will be attended in a body. A ban-
quet will be held in the evening at the
Sherman hotel at which friends of the
members and alumni will be guests.
An informal dancing party at Eagle
hall will follow.

An outing down river has been

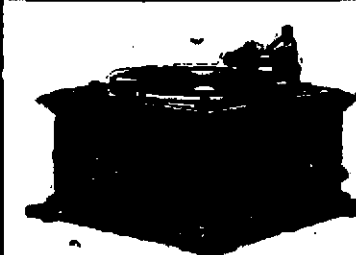

planned for Sunday. Monday noon a
farewell luncheon will be held at the
Sherman hotel.

FREE GARDEN SEED IS HANGING IN BALANCE

By United Press Licensed Wire

Washington—A deadlock which has
existed for weeks between house and
senate over continuing free distribu-
tion of garden seed may be broken to-
day when the senate is expected to
reconsider its action in striking the
free seed appropriation from the agri-
culture appropriation bill passed by
the house.

Senator Norris, Nebraska, republi-
can, announced that he would call up
the question today.

The Supremacy of The Victrola is
evident by its accomplishments. It is
the instrument by which the value of
all musical instruments is measured.

PAYS FINE FOR SHOWING GUN AT POKER PARTY
Kenosha, Wis.—Arthur Moore was it is alleged, sitting in a poker game on Monday. It is asserted that when he had been stripped of \$3 he pulled out a gun and ordered the winner to disgorge. The gun was empty. Just then the police raided the place and all of the players, ten in number, were ushered into the patrol. Moore pleaded guilty to carrying concealed weapons and paid \$10 fine and costs.

R. A. DENNISON, of Los Angeles, owner and trainer of fine trotting horses, who says Tanlac put him right back on his feet again, after he had been in bad health for over a year. Declares he is feeling like his old self now.

"For the past year or more I have not been right physically. I just didn't feel good at all, but last April 22nd I had an awful attack with my stomach which nearly drew me up and I have been worse ever since.
"About the best way I can describe the way I felt is to say I was just leg-weary and all in. I really did not have strength to keep going and I gave up all idea of trying to work. For a long while I had no appetite but would eat anyhow though my food never seemed to do me any good.
"I would go to bed at night and would sleep but apparently did not rest for I would get up just as tired as when I went to bed. I got so I could scarcely go a block but what I would have to stop and rest.
"Well, I read about Tanlac one day and that reminded me that a friend had spoken about the same medicine, so I got some and began to take it. I had been taking it about a week when one evening, after supper, I started to walk and before I realized it I had walked up to First Street and back, about 14 blocks, and never felt it at all and then I realized that the tonic was helping me.
"I have taken four bottles now and am just feeling real good again. I am able to be back at the Exposition Stock Yards every day and have just as much energy as I ever had. I get up refreshed in the mornings now and I have a real appetite which makes me enjoy three good square meals every day. Anyone who needs a good tonic will certainly be satisfied with Tanlac and I am glad to recommend it to my friends.
The above statement was made recently by R. A. Dennison, a well-known owner and trainer of fine trotting horses, residing at No. 214 East 8th St., Los Angeles, Cal. Mr. Dennison has lived in California for 22 years; he is 63 years of age and has followed his present line of business for 20 years. He is well-known on the Pacific coast.
Tanlac is sold in Appleton by John E. Voigt; F. O. Town, Shiocton; Dr. J. M. Sattler, Bear Creek. adv.

AMERICA ELECTRIC CLEANER
Your Home Dustless and Germless
With the dust and dirt go the germs—the America cleans thoroughly.
When you run the America forward, the exclusive type of friction driven brush picks up the surface litter and gently brushes the nap, freshening it, and loosens the deep down gritty dirt for the cleanly suction to remove. When you draw the America toward you the nap is gently brushed the other way and then straightened by the powerful suction of pure air.
Let us demonstrate the America in your own home. Convenient monthly payments if you wish, when you buy.

32 CASES ARE HEARD IN PROBATE COURT

HEARINGS INCLUDE TWENTY-SEVEN ESTATES—ANOTHER CLAIM AGAINST KILLEN ESTATE
Matters concerning 27 estates in various stages of probate came before Judge Bottensack in county court last week. In addition there were two guardianship cases, two applications to sell real estate belonging to minor heirs and one application for a mother's pension. A special term of county court opened Tuesday with twelve cases on the calendar. The following matters were disposed of during the week:
In re estate of Adah Sheldon, deceased, petition to determine descent of land filed and June 15 fixed as date of hearing.
In re estate of Amelia Kropp, deceased, claims of A. P. Holz, Ida Wolk and Mrs. William Picht filed, and also decision on claims filed.
In re estate of Olive R. Brigham, deceased, final account entered and date of hearing set for July 6.
In re guardianship of minor heirs of John Verbruggen, deceased, letters of guardianship issued to Norval Holcomb and bond in the amount of \$600 filed.
In re estate of Conrad Holzer, deceased, order entered fixing June 15 as date for settlement of estate.
In re estate of Charles Heckel, deceased, claim of Appleton Marble and Granite Works filed.
In re estate of Josiah Meyer, deceased, general inventory and appraisal filed.
In re application to sell the real estate of the infant heirs John Verbruggen, deceased, report of conveyance and disposition of funds filed. Confirmation of report and disposition of funds and discharge of guardian and executor filed. Guardian's annual account filed by Norval Holcomb, guardian.
In re estate of Fritz Meyer, deceased, petition to determine descent of land filed and date of hearing set for July 6.
In re estate of W. H. Killan, deceased, claim of Walter N. Killan in the amount of \$5,000 and interest filed.
In re estate of Ferdinand Wisthoff, deceased, final order discharging Bertha Wisthoff, executrix, filed.
In re estate of Mary Reuter, deceased, final account entered and date of hearing set for June 15.
In re estate of J. W. Cotter, deceased, inheritance tax receipt filed.
In re guardianship of the minor heirs of August and Amelia Plaman, deceased, bond of guardian of minors in the amount of \$2,500 filed.
In re application to sell the real

SURE RELIEF FROM ITCHING SKIN DISEASES

Will Never Come From Salves, Ointments, or Other Local Treatment.
A million gallons of lotions, ointments, salves or other forms of local treatment will not give any real permanent relief from skin diseases. Get this fact firmly in your mind, and there is hope for you.
If you have ever been afflicted with eczema, tetter, boils, eruptions, or other similar skin irritations you can appreciate the real, terrifying discomfort that comes from these disorders. And what you are looking for is not merely temporary, palliative relief that may cause the terrible burning and itching to abate for awhile, but real genuine relief that shakes off the shackles of the disease, and restores the skin to its former healthy condition.
Follow the teachings of science, and you will learn that the skin is fed by the blood, and naturally, then, the condition of your skin will depend upon the condition of your blood. If the blood becomes infested with millions of tiny disease germs that attack the skin, then the fiery irritation and intense itching will remain with you until these germs are attacked at their source and removed from the blood.
Genuine relief, therefore, can only be expected from a treatment that goes right to the seat of the trouble, and strikes at its cause. Such a remedy is S.S.S., the reliable old blood purifier that kills the germs of disease, and sends a new supply of rich red blood coursing through the veins.
S.S.S. has been used successfully in some of the worst cases of eczema and other skin disorders, and it can be relied upon to cleanse the blood thoroughly of the germs which cause these complaints. S.S.S. is also a splendid tonic and system-builder, and it builds up and adds new vigor to the whole system.
Go to your drug store and get a bottle of S.S.S. today, and begin the right treatment for skin diseases. Then if you feel that your case requires special medical advice, you can obtain same without cost, by writing to Chief Medical Adviser, 13 Swift Laboratory, Atlanta, Ga.

Dated May 15, 1920.

By the Court, John Bottensack, Judge.

Ryan & Cary, Attorneys for said estate. 5-19-20; 6-2

WOULD KEEP FOREIGN AIRPLANES FROM U. S.
By United Press Licensed Wire
Washington.—An amendment to the army appropriation bill to prohibit "dumping" or foreign built aircraft in the United States has been prepared by Senator New, Indiana, republican, it was stated today.

Its object is to prevent foreign nations from selling their obsolete airplanes here at less than cost, thus competing unfairly with the American airplane industry.

APPLETON SCHOOL FOR DEAF ACHIEVES SPLENDID RESULTS

REMOVAL OF ADENOIDS AND ENLARGED TONSILS OFTEN RESTORES POWER OF SPEECH.

"In nine cases out of ten the defects in our children are due to adenoids and enlarged tonsils," said Miss Hannah Gardner, principal of the Appleton school for deaf, in speaking of her pupils yesterday. "An improvement in their speech is noticeable as soon as they submit to an operation," she said. "We encourage these operations for the benefit of the child, and the removal of a serious handicap. The school nurse is working along this same line and is getting results."

Eight or ten of Miss Gardner's pupils ranging in ages from six to eight years were occupying chairs arranged in a semi-circle in front of her at the time she made the statement. "This little child is totally deaf," she said, pointing to one bright little fellow. "This one can hear slightly, while these can hear quite well but have defective speech." Several pupils were called upon to recite and did so without any sign of embarrassment. At least three of the group are planning to submit to operations at the close of school.

Perfect Discipline.
Miss Rose Lorrige was in charge of the older pupils, boys ranging in ages from twelve to sixteen years. There were about a dozen boys in the room and the discipline was perfect. A class in geography was reciting at the time the newspaper man called. The pupils drew slips on which appeared questions concerning the location of some city, river, mountain or bay which he was required to locate on a map on the wall. The greatest enthusiasm prevailed and several hands were in air immediately if a pupil hesitated in answering.

The school was established in Columbus building in 1906 and has been located there ever since. The attendance increased from year to year and six years ago Miss Gardner found it necessary to engage an assistant. While under local supervision, the school is supported by the state which pays \$200 for tuition and \$125 for board and transportation for each

deaf child and \$150 tuition and \$125 for board and transportation for each child having defective speech.

Individual Work.
Much of the work is of an individual nature and for that reason the school is ungraded. Both the grades and course of study adopted by public schools are followed as far as practical, however. At the present time the school has three pupils totally deaf, six partially deaf and two hard of hearing. Some of the pupils will not return next year, having been cured of defective speech. Because the school is supported by the state, the pupils are not limited to Appleton. At present the enrollment shows one from Kaukauna, one from Shiocton and four from the county at large.

Hot Lunches Served.
The pupils have all the privileges and advantages of the children of the public schools. Milk is served to all each morning and hot soup is provided at noon for those that bring their lunches. Manual training is secured at the Lincoln building. Nearly all the pupils become experts at carpet weaving and find a ready demand for all the rugs and pillow covers they have time to make. The loom is located in one corner of the school room on the first floor.

Publish Magazine.
The boys publish a monthly paper filled with news concerning the school and matters of general interest. The covers are designed by them and show much originality. Recently the boys made a trip through the plants of the Eagle Manufacturing company, Appleton Wire Works, Standard Manufacturing company, Wisconsin Wire Works and Appleton Coated Paper company, making all arrangements with these companies on their own initiative and then "wrote up" what they saw for their publication. A recent issue contained a story on the city of Appleton which included the paper mills, churches, banks, railroads, hotels, government canals, theatres, newspaper, armory and police and fire department. The articles are frequently illustrated with kodak pictures.

The boys have their basket ball and base ball teams. Three of the boys have recently joined the Boy Scouts.

Five boys are in line this year for diplomas or seals to be awarded by the Wisconsin Reading Circle, having completed the necessary reading. Several are planning to go cherry picking. A picnic is being arranged for commencement week. School spirit exists in a marked degree.

MENASHA TO PLAY BRANDT TEAM HERE ON MEMORIAL DAY

PARK WILL BE IN READINESS FOR OPENING HOME GAME NEXT MONDAY AFTERNOON.

Appleton will open the valley baseball league season at Brandt Park Monday afternoon, Decoration day. Menasha, trimmed by the locals, 5 to 4, in the first game of the year, will be the attraction.

The Brandt Boys are also billed for a game with Kaukauna at the Electric city Sunday afternoon.

The lot offered by the local club has been won by ticket number 159, it was announced today by Gus Knoll, business manager of the team.

Brant Boys will be strengthened for their first home game Monday afternoon by the addition of a classy second baseman, whose name has not been divulged. The acquisition is a former W.L. leaguer, who will strengthen the defensive department of the team considerably.

Noel to Pitch.
Bruce Noel will be on the mound in the holiday battle, with Fahlstrom in reserve. Bruce will also pitch a few innings against Kaukauna Sunday. The star portside improves with work, and if Old Sol comes off his hobby horse and makes his presence known, the Menasha swatters will have considerable difficulty in solving Bruce's slants.

Park is Finished.
Work on Brandt Park has been completed and the locals can now boast of one of the best parks in the circuit. Building of the fence and grand-stand has put the club owners in the hole financially and the whole-hearted support of the fans is necessary to put the club on its feet.

Part of the building expense has been raised by selling advertising space on the fence to Appleton firms. Considerable space of advertising vantage still remains and can be purchased from the management, it is announced.

WANT WAR VETERANS TO WEAR RED POPPY

APPLETON SERVICE MEN ENDORSE MOVEMENT TO HONOR OR HEROES BURIED OVERSEAS

Wearing of a poppy by all ex-service men in memory of the boys who died on the battlefields of Europe will probably be a feature of Memorial day in Appleton. The plan is being pushed in all the leading cities of the state and is favorably received here. The poppy was chosen as the memorial flower because it is blooming now on the thousands of graves in Flanders. It is the prevailing flower of that section. Its association with the war has brought out poems and paintings immortalizing the little red flower.

Good Idea, Benton Says.
"It is a capital idea," said Homer H. Benton, commander of the Oney Johnston post of the American Legion. "Nothing could be more appropriate than the wearing of the poppy by our boys. I believe we ought to take it up here. A special meeting of the post will probably be called this week to complete our Memorial day plans and we will see what can be done about it at that time."

Edgar Schommer, vice commander of the Oney Johnston post, was heartily in accord with this form of memorial.

Schommer Will Help.
"I believe we ought to see that Appleton is included in the state-wide move to wear the immortal poppy as a memorial. Nothing could be more impressive or appropriate. There are two things that ought to stand out on Memorial day. One is the wearing of the uniform and the other the wearing of the poppy. I will take steps at once to find out if we can secure a supply of the flowers and will assist in getting the Legion to adopt the move."

Col. W. H. Zuehlke also expressed himself as highly in favor. He believed that nothing could be a better symbol of the day's observance than a poppy worn in the buttonhole. He was not sure whether enough naturally grown flowers could be secured, but ventured the suggestion that artificial blossoms would just as easily answer the purpose.

Milwaukee is Leader.
Milwaukee has been especially forward in urging a poppy demonstration. Sentiment is being developed through various military organizations and a parade was held last week with floats elaborately decorated with poppies as a stimulus to carrying out the idea. It is believed that once this tribute to the dead is paid it will become an annual custom.

POLES DENY SOVIETS HAVE ENTERED KIEFF

By United Press Licensed Wire
London.—A Polish authoritative source today denied the report the bolshevik have entered Kieff.

The official statement issued in Warsaw on Sunday said:

"In the Ukraine sector, our operations have been very satisfactory. Our troops are advancing. The bolshevik continue to launch violent attacks against our lines in the Berezhna and Dwina sectors. In the Dwina sector alone, there are ten divisions attacking our forces. Our counter-attacks are developing with great success and all bolshevik attacks so far have been repulsed with heavy losses to the enemy."

This would mean that the bolshevik have concentrated a force of sixty thousand on the Dwina sector.

The American library system is being widely adopted in foreign lands.

"MEANEST THIEF" STEALS QUANTITY OF CHURCH WINE

By United Press Licensed Wire
Racine.—Racine police today have on their books a burglary committed by the meanest thief that ever invaded Racine, they say.

The titled individual entered the Danish Lutheran church, stole a half gallon of wine and the contents of the contribution box.

THE BEST ON EARTH

Says Mrs. Staples of Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I could not eat or sleep for six months, had fainting spells and could not walk without help for three months, caused by female trouble. My cousin, who was a doctor, told me to take Lydia E. Pinkham's Vegetable Compound and it helped me greatly. Then during the Change of Life I used the same remedy. I am seventy years old now and am able to do my own housework and walk one mile to church every Sunday morning and evening. I am recommending the Vegetable Compound to my friends having the same troubles as I had. Your remedy is the best on earth. I cannot find words to express my gratitude to it."

Mrs. SUSAN C. STAPLES, 157 B School St., Taunton, Mass.
The reason that thousands of women from all parts of the country write such grateful letters is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and illness. It has relieved women from some of the worst forms of female ills, such as displacements, inflammation, and ulceration. Why don't you try it?

MERCHANTS CONSIDER CLOSING NEXT MONDAY

Merchants are discussing among themselves whether to close their places of business all day Memorial Day or not. The consensus of opinion seems to be that Monday has been declared a legal holiday and that no stores should therefore be open. Clothing and department stores appear to be unanimous in their intention to close Saturday evening and not open up until Tuesday morning. Grocers feel that they can take similar action without inconveniencing their patrons. Some of the meat markets, however, feel that they want to open their shops for a few hours Monday morning. Most of the merchants are willing to do what the majority wish and it is expected that some concerted action will be taken in time to give the public ample notice so that purchases can be made Saturday.

BONUS BILL BATTLE IS RAGING IN COMMITTEE

By United Press Licensed Wire
Washington.—One of the hottest fights of this session of congress is now being waged over the soldier bonus bill "behind the scenes" in the house.

When the bill will be called up appears uncertain. Republican Leader Mondell today said he could make no prediction as to when efforts will be made to pass the bill, but Chairman Fordney, of the ways and means committee, thought it might be called up Thursday.

The fight now centers over whether the measure is to be opened up for amendments.

Where Gasoline Prices Stand

OIL products have advanced in price more slowly than any other products. The U. S. Department of Labor, in a comparative statement of price advances between January 1913, and December 1919, says:

(In the following table 100 is taken as the normal base for 1913)

	Jan. 1913	Dec. 1919	Percentage Increase
Clothes and Clothing	100	335	235 %
House Furnishings	100	303	203 %
Labor and building material	100	253	153 %
Farm produce	97	244	151.5 %
Food	99	234	136.3 %
Chemicals	101	179	77.2 %
Fuel and lighting	103	181	75.7 %
Metals and metal products	107	169	58 %

(Monthly Labor Review, Vol. X, No. 3)

On January 1, 1913, the Standard Oil Company (Indiana) was paying \$144 per barrel for crude delivered at the refinery at Whiting, Ind., and was selling gasoline for 14¢ per gallon.

On December 31, 1919, the price of crude had advanced to \$351 per barrel, f.o.b. Whiting, and the selling price of gasoline to 21¢ per gallon.

In other words this Company is paying two and one-half times as much for crude oil as it was in 1913, but because of its more efficient refining methods it is able to sell gasoline to you for less than one-half more than was charged at that time.

(Continuing the table)

Crude Petroleum	100	240	140 %
Red Crown Gasoline	100	144.8	44.8 %

It will be seen from the above tables that gasoline stands at the end of the list as regards price increase, and that crude petroleum stands sixth from the end, showing how effectively refining efficiency has operated in behalf of the motorist.

Every cost entering into the making of gasoline has risen immensely. The cost of crude, the cost of refining, and the cost of marketing are all greater than ever before.

The Standard Oil Company (Indiana) by superior efficiency in every process of refining and distributing has contributed in no small degree to hold the price of gasoline down to its present level. Every man in the manufacturing end of the Standard Oil Company (Indiana) is keenly alive to the pressing necessity for an increased output of gasoline at a minimum manufacturing cost.

The ideal toward which the Standard Oil Company (Indiana) is striving, is to put Red Crown, a gasoline of known, standard quality, within the reach of motorists everywhere in the Middle West, at a price so low as to make possible the free use of that 25 percent increase in automotive vehicles which is anticipated for 1920.

Standard Oil Company
(Indiana)
910 So. Michigan Ave., Chicago
